

# Participants Needed!

## For a Research on Aging in Community and Accessibility among Older Adults

The goal of the project is to engage with seniors in their respective communities in relation to aging in community and accessing health, social, and daily services and the associated challenges.

An honorarium of \$100 will be provided for all chosen participants at the end of study.

We are looking for 2 participants per community from the following selected communities:

- Skyview Ranch (NE)
- Pineridge (NE)
- Marlborough (NE)
- Abbeydale (NE)
- Forest Lawn (SE)
- Varsity (NW)
- Hounsfield Heights / Briar Hill (NW)
- Shawnee Slopes (SW)
- Saddle Ridge (NE) – *recruitment completed*
- Chinatown (Downtown) – *recruitment completed*

### Who are we looking for?

- 65 years of age or older
- Have lived in your community for more than 6 months
- Comfortable walking in your community with or without assistive devices
- Interested and willing to use a camera
- *NOTE: Potential for assistance with taking photos and walking with participants!*

### What are you asked to do?

- Take photos that represent your experiences and perception of accessibility and aging in community
- Participate in an individual interview twice, before and after taking photos
- Discuss the questions relating to the reason the photos were taken and what the participants would like to see changed in their community regarding accessibility

If you have any question about this research and/or are interested in participating, please contact a lead researcher, Dr. Yeonjung Lee at Email: [yeonjung.lee@ucalgary.ca](mailto:yeonjung.lee@ucalgary.ca).
