

## ***CURRICULUM VITAE***

### **I. BIOGRAPHICAL DATA**

**Name:** Campbell, David J.T. MD, PhD, MSc, FRCPC

**Citizenship:** Canadian

**Address:** University of Calgary, Foothills Campus  
Cal Wenzel Precision Health Building, Room 3E33  
3280 Hospital Dr. NW  
Calgary, AB T2N 4Z6

**Phone:** (403) 210-9511 (work) (403) 620-5505 (cell)

**Email:** dcampbel@ucalgary.ca

**Present Rank:** Assistant Professor

Departments of Medicine, Community Health Sciences & Cardiac Sciences,  
Cumming School of Medicine, University of Calgary

**Languages:** English (Native), French (Conversational), Haitian-Creole (Fluent)

### **II. ACADEMIC RECORD**

- Final Degree: PhD  
Date Completed: April 2017, University of Calgary, Calgary, Alberta, Canada  
Specialty: Community Health Sciences (Health Services Research)  
Institution: University of Calgary, Calgary Alberta

#### **Undergraduate**

- BSc (Kinesiology), 2008, McGill University, Montreal, QC

#### **Special Professional**

- MD, 2012, University of Calgary, Calgary, AB

#### **Graduate and Post-doctoral**

- Post-Doctoral Fellowship, 2018-2019, Centre for Urban Health Solutions (St. Michael's Hospital): Toronto, ON
- Clinical Fellowship, 2017-2019, Endocrinology & Metabolism, University of Calgary, Calgary, AB
- Residency Training, 2013-2017, Core Internal Medicine, University of Calgary, Calgary, AB
- MSc (Anthropology of Health and Illness), 2009, University of Edinburgh, Edinburgh, Scotland

#### **Licensure and Boards**

- FRCPC (Fellow of the Royal College of Physicians of Canada), Endocrinology & Metabolism, 2019
- FRCPC (Fellow of the Royal College of Physicians of Canada), Internal Medicine, 2018
- CCP: Chronic Care Professional, 2017
- L.M.C.C. (Licentiate Medical Council of Canada), 2014
- Province of Alberta #020479, Licensure in Internal Medicine and Endocrinology & Metabolism

### **Non-Degree Programs**

- Reviewer-in-Training Program, 2021, Canadian Institutes of Health Research
- Indigenous Cultural Safety Training, 2019, San'yas/Provincial Health Services Authority, Vancouver, BC (online)
- Thyroid Ultrasonography Course, 2017, Canadian Society of Endocrinology & Metabolism, Edmonton, AB
- Chronic Care Professional Health Coach, 2017, Health Sciences Institute, St. Petersburg, FL (online)
- Bedside Ultrasound Training Program, 2014, University of Calgary, Calgary, AB Licensure and Boards
- Mixed Methods in Social Research, 2013, Interuniversity Consortium for Political and Social Research, Chapel Hill, NC
- Systematic Reviews and Meta Analyses, 2012, Knowledge Translation Canada, Toronto, ON (online)
- Global Health Delivery Intensive Summer Program, 2011, Harvard School of Public Health, Boston, MA

### **III. AWARDS AND DISTINCTIONS**

- 2022 Top 40 Under 40  
Avenue Magazine Calgary (Embargoed until October 26, 2022)
- 2022 Article of the Year, Top 10 finalist  
Canadian Association of Health Services and Policy Research
- 2022 Bronze Teaching Award & Associate Dean's Letter of Excellence for Small Group Teaching  
University of Calgary, Undergraduate Medical Education
- 2021 Emerging Research Leader Award  
O'Brien Institute for Public Health
- 2021 Inspirational Preceptor/Mentor Award  
University of Calgary, Faculty of Nursing Pursuit of Excellence Awards
- 2021 Bronze Teaching Award  
University of Calgary, Undergraduate Medical Education
- 2020 Early Career Mentorship Award  
Diabetes Action Canada
- 2020 Petro Canada Young Innovator Award  
University of Calgary
- 2017 Governor General Gold Medal (PhD Level)  
Governor General of Canada/University of Calgary
- 2017 Resident Research Award  
CIHR/Canadian Society of Clinical Investigation
- 2017 Rising Star Award  
CIHR/Institute for Health Services and Policy Research
- 2016 Most Outstanding Senior Medicine Resident Award  
Rockyview General Hospital, University of Calgary
- 2014 Resident Research Award  
University of Calgary, Department of Medicine
- 2013 1<sup>st</sup> Prize Poster Presentation  
Canadian Society of Internal Medicine
- 2012 Future Alumni Award (ARCH Awards)  
University of Calgary Alumni Association
- 2012 Lydia Sikora Memorial Award Winner

- 2012 University of Calgary Faculty of Medicine  
Student Award in Social Accountability
- 2011 University of Calgary Faculty of Medicine  
Award for Young Leaders (student category)  
Canadian Medical Association
- 2009 Peter Wright Graduate Award  
Canadian Scholarship Trust Fund
- 2007 Academic All-Canadian (Football)  
Canadian Interuniversity Sport

#### IV. **ACADEMIC APPOINTMENTS**

- Assistant Professor, Departments of Medicine, Community Health Sciences & Cardiac Sciences, Cumming School of Medicine, University of Calgary, July 2019 - present
- Visiting Professor, Département de Épidémiologie et Systemes de Santé, UNISANTÉ/Université de Lausanne, Switzerland, Feb – Jul 2023
- Clinical Associate, St. Michael's Hospital, Unity Health, Toronto, ON, April 2019 – Mar 2020

#### V. **Educational Activities**

##### *Graduate Science Education*

MDCH 700: Advanced Qualitative Methodologies (Chair: Dr. David Campbell)

- Chair, 2020
  - o Designed course content and syllabus
  - o Oversaw evaluation of students
- Lecturer
  - o Taught lectures and facilitated discussions

MDCH 660: Foundations of Health Services Research (Chair: Dr. Deirdre McCaughey)

- Teaching Assistant, 2013-2017
  - o Coordinated visiting speakers
  - o Contributed to course design and content
  - o Delivered lectures
  - o Conducted evaluation activities
- Guest lecturer, 2018-Present
  - o Regular lecture on Access and Equity Issues in Health Services Research
  - o Participates in periodic panel discussions: careers in HSR, knowledge translation

NURS 643B: Advanced Nursing Leadership (Chair: Dr. Gudrun Reay)

- Guest lecturer, 2021
  - o Design and Implementation of a Healthy Food Prescription Program in Alberta

##### *Undergraduate Medical Education*

MDCN 380 (Course 4): Endocrinology & Nephrology (Chair: Dr. Hanan Bassyouni)

- Lecturer, 2018-Present
  - o Culture and Diabetes (2018, 2020, 2021, 2022)
  - o Psychosocial Determinants of Diabetes Outcomes (2022)
- Small group preceptor, 2020-Present

- Leads 6-8 small groups/year (2020, 2021, 2022): diabetes, hypertension, adrenal, pituitary, thyroid
- Bedside teaching preceptor for endocrine-related teaching, 2022
- Preceptor, Student Run Clinic, 2022-Present
  - Hold monthly endocrine outreach clinics at the SRC hosted at the Mustard Seed Wellness Centre where I have the opportunity to teach medical students about providing endocrine care to socially disadvantaged populations.
- Content editor, the Calgary Guide, 2021-2021
  - Edited endocrine sections of the Calgary Guide which were authored by medical students

#### MDCN 440 (Chair: Dr. Kerry McBrien)

- Preceptor
  - Took on multiple students to do their preceptorship (2020)
- Small group preceptor
  - Has led small groups (2020) on systematic reviews, RCTs, economic evaluation

#### *Undergraduate Teaching/Bachelor of Health Sciences Program*

##### MDSC 308: Interdisciplinary Approaches to Research (Chair: Dr. Reed Beall)

- Lecturer, 2021-Present
  - Conducting community-based participatory research

##### HSOC 301: Determinants of Health (Chair: Dr. Dana Olstad)

- Lecturer, 2019-2022
  - Access to Healthcare as a Determinant of Health: A Canadian Perspective

#### *Postgraduate Medical Education*

##### Internal Medicine (Core) Residency Program

- Halfday Lecture, 2020: Alternative approaches to conducting health services research – use of qualitative and mixed methods approaches
- Retreat Address, 2018: Surviving residency training with a family
- Halfday Problem-Based Learning, 2016: Approach to labile blood glucose
- Journal club, 2015: Health technology assessment and cost-effectiveness analysis

##### Endocrinology Fellowship Program

- Preceptor, 2019-Present: Endocrine Fellows clinic
- Halfday lecture, 2019, 2021: Motivational Interviewing
- Halfday lecture, 2019, 2021: Culture, Diabetes, and ‘Competency’
- Halfday lecture, 2020, 2022: Approach to Chronic Disease Care in Disadvantaged Populations
- Halfday lecture, 2020, 2022: Health Policy and Health Economics
- Journal club, 2019: The REAL Diabetes Trial
- Journal club, 2018: The DIAMOND Trial

##### Public Health and Preventive Medicine Residency Program

- Halfday lecture, 2021: Diabetes and food insecurity as a public health problem

#### *Continuing Professional Development*

- Reflections from participation in the CIHR Research in Training program, Office of the Associate Dean Research Grants Development Office Workshop. March 2022

- Developing and teaching Advanced Cardiac Life Support at Hôpital Universitaire de Mirebalais, Haiti with Equal Health. 2015-2018.
- Designed and taught in-service for nurses on General Internal Medicine Unit, Foothills Medical Centre: Introduction to adrenal physiology & ACTH stimulation testing protocol. 2016

#### *Postdoctoral Fellow Supervision*

- Kirnvir Dhaliwal, 2020-2023 (Supervisor: Dr. David Campbell)
  - O'Brien Institute for Public Health Post-Doctoral Fellowship: 2020-2022
  - Cumming School of Medicine Post-Doctoral Fellowship 2020-2023

#### *Graduate Student Supervision*

- Danielle Fox (PhD), 2019-2025 (Co-supervisors: Dr. David Campbell, Dr. Rob Quinn)
  - AbSPORU Studentship: 2020-2023
  - Alberta Graduate Excellence Scholarship: 2021
  - CIHR Banting and Best Canada Graduate Scholarships: 2020-2024
  - KRESCENT Fellowship: 2021-2025
- Saania Tariq (MSc), 2020-2022 (Co-supervisors: Dr. David Campbell, Dr. Dana Olstad)
  - Libin Cardiovascular Institute Graduate Scholarship: 2020-2021
  - Faculty of Graduate Studies Master's Research Scholarship: 2021-2022
  - CIHR Canada Graduate Scholarship – Masters: 2021-2022
- Jane Fletcher (PhD), 2021-2025 (Co-supervisors: Dr. David Campbell, Dr. Braden Manns)
- Matt Larsen (MSc), 2022-2024 (Supervisor: Dr. David Campbell)
- Sarina Aryal (MSc), 2022-2024 (Co-supervisors: Dr. David Campbell, Dr. Karen Tang)

#### *Graduate Student Committees*

- Christy Chong (MSc), 2019-2021 (Supervisors: Dr. Paul Ronksley & Dr. Meghan Elliott)
  - AbSPORU Studentship: 2020-2022
  - CIHR Canadian Graduate Scholarship – Masters: 2020-2022
- Ibrahim Almasri (MSc), 2019-2022 (Supervisors: Dr. Kerry McBrien & Dr. Gabriel Fabreau)
  - CIHR Canada Graduate Scholarship – Masters: 2020-2022
- Yun Lee (MSc), 2019-2022 (Supervisors: Dr. Dana Olstad & Dr. Jane Shearer)
- Sharlette Dunn (PhD), 2020-2024 (Supervisor: Dr. Dana Olstad)
  - Libin Cardiovascular Institute Graduate Scholarship: 2020-2021
- Michelle Leong (MSc), 2020-2022 (Supervisor: Dr. Kerry McBrien)
  - CIHR Canadian Graduate Scholarship – Masters: 2021-2022
- Kieran Steer (MSc), 2021-2023 (Supervisors: Dr. Eldon Spackman & Dr. Dana Olstad)
- Jason Black (PhD), 2021-2025 (Supervisor: Dr. Tyler Williamson)
- Sydney Seidel (MSc), 2022-2024 (Supervisor: Dr. Tavis Campbell)

#### *Undergraduate Student Supervision*

- Sravya Kakumanu (BHSc Student), Summer 2018
- Harleen Ghuttora (BSc Student), Summer 2018
- Rachele Lee-Kreuger (BCRDS Student), 2018-2019
- Pablo Gonzalez (BSc Student), Summer 2019

- Nicole Mancini (MD Student), Summer 2020, Med440 experience
- Hannah Yaphe (MD Student), Summer 2020, Med440 experience
- Simarpri Sidhu (BN Student), Summer 2020
  - Alberta Innovates Summer Studentship
- Pablo Gonzalez (BSc Student), Summer 2020
- Dennis Campbell (MD Student), Summer 2020, Summer 2021
  - Alberta Innovates Summer Studentship
- Mursal Mohamed (MD Student), 2020-2022, Research leave
- Simarpri Sidhu (BN Student), Summer 2021
  - Alberta Innovates Summer Studentship
- Katitlyn Paltzat (BHSc Student), Summer 2021
  - Alberta Innovates Summer Studentship
- Teagan Donald (BComm Student), Summer 2021
- Anthony Kers (BCRDS Student), Fall-Winter 2021 (Internship)
- Abeer Ahmed (BHSc Student), Summer 2022
  - O'Brien Centre Summer Studentship
- Dennis Campbell (MD Student), Summer 2022
- Kathryn Wiens (MD Student), Summer 2022
- Simarpri Sidhu (BN Student), Summer 2022
- Ella McMurtry (BSc Student), Summer 2022
- Rubab Qureshi (MD Student), 2022-2023

*Postgraduate Medical Education – Research Supervision*

- Aravind Ganesh (Neurology Resident), 2015-2016
- Stephanie Kulhawy-Wibe (Internal Medicine Resident), 2017-2018
- Breanna McSweeney (Internal Medicine Resident), 2020-2022
- Nazlin Karmali (Internal Medicine Resident), 2020-Present
- Hamna Tariq (Internal Medicine Resident), Summer 2021
- Harleen Ghuttora (Internal Medicine Resident), 2021-Present
- Ruchi Sharan (Internal Medicine Resident), 2021-Present
- Tina Kim (Internal Medicine Resident), 2021-Present
- Samuel Fineblit (Endocrine Fellow), 2021-Present
- Jenny Gu (Endocrine Fellow), 2021-Present

*Other – Mentorship*

- Jennifer Brown (Internal Medicine Resident, Academic Advisor), 2020-Present
- Priya Chandrakumaran (Internal Medicine Resident, Academic Advisor), 2020-Present
- Ameen Barsha (Cardiac Surgery Resident, Libin Research Mentorship), 2021-2022
- Undergraduate Medical Education Career Exploration Program, 2021:
  - Brianna Ghali
  - Wisoo Shin
  - Natalya Patrick
- Student Run Clinic @ The Mustard Seed Wellness Centre, Preceptor

**VI. ADMINISTRATIVE RESPONSIBILITIES**

### National

- National Consultant Editor, Canadian Journal of Diabetes, 2021-Present
- Member, College of Reviewers, Canadian Institutes of Health Research, 2021-Present
- Reviewer, Psychosocial & Behavioural Research Committee, Canadian Institutes of Health Research, 2021-2022

### Faculty

- Member, Research Leadership Committee, Libin Cardiovascular Institute, 2020-present
- Co-Chair, P2: Person to Population Cardiovascular Health, Libin Cardiovascular Institute, 2020-present
- Competence Committee, Internal Medicine Residency Program, 2020-2022
- Admissions Committee, Department of Community Health Sciences Graduate Program, 2020-2022
- Interviewer, Internal Medicine Residency Program, 2021
- Interviewer, Endocrinology & Metabolism Fellowship, 2018
- Interviewer, Endocrinology & Metabolism Fellowship, 2017
- Interviewer, Internal Medicine Residency Program, 2015
- Interviewer, Undergraduate Medical Education, 2013

## **VII. PROFESSIONAL ACTIVITIES**

### **Membership in Professional and Learned Societies**

- Royal College of Physicians and Surgeons of Canada
- College of Physicians and Surgeons of Alberta
- Alberta Medical Association
- Canadian Medical Association
- Diabetes Canada
- Canadian Association of Health Services & Policy Research
- Canadian Alliance to End Homelessness
- Canadian Network for the Health & Housing of People Experiencing Homelessness

### **Professional Service**

#### Grant Reviews

- CIHR Project Grant Review Committee (PB1), Fall 2021/Spring 2022 competitions
- OIPH Post-doctoral Scholarship Committee, Dec 2021, June 2022
- PSI Foundation, Apr 2021
- CIHR COVID-19 Rapid Funding Call, May 2020
- Cumming School of Medicine Clinical Research Fund, 2017
- Leaders in Medicine Grants/Awards, 2019-2020

#### Internal Peer Review

- Reviewer, O'Brien Institute for Public Health Internal Peer Review Process, 2018-Present
- Chair, Libin Cardiovascular Institute: Clinical Research IPR Process, 2020-Present
- Cumming School of Medicine PRIHS-6 Internal Peer Review, 2020
- Department of Community Health Sciences Alberta-Innovates Trainee Awards, 2015-2016

#### Journal Reviews

- BMJ Open Diabetes Research and Care – 2022
- Diabetes, Obesity, and Metabolism – 2022
- International Journal on Homelessness – 2022
- Journal of Comparative Effectiveness Research – 2022
- Obesity – 2021
- Trials – 2021
- Canadian Journal of Kidney Health and Disease – 2021
- BMJ Open Quality - 2021
- American Heart Journal - 2021
- Health Education & Behavior - 2021
- JAMA Network Open - 2021
- JAMA Internal Medicine - 2021
- BMJ Open - 2020
- CMAJ - 2019, 2020, 2021, 2022
- CMAJ Open - 2016
- BMC Public Health - 2016
- Journal for Healthcare of the Poor and Underserved - 2016, 2021
- Journal of General Internal Medicine – 2019, 2020
- Circulation: Cardiovascular Quality and Outcomes - 2016, 2020, 2021, 2022
- Medical Care – 2018, 2021
- Circulation - 2020
- Canadian Journal of Diabetes - 2019, 2020, 2021
- Canadian Journal of Cardiology – 2020
- Diabetology & Metabolic Syndrome – 2018, 2021
- Research in Social and Administrative Pharmacy - 2018
- Social Work in Public Health - 2020
- European Journal of Preventive Cardiology - 2020
- BMC Health Services Research - 2020

#### Abstract Reviews

- Canadian Association of Health Services and Policy Research, 2021
- North American Primary Care Research Group, 2020
- Canadian Association of Health Services and Policy Research, 2020
- Canadian Association of Health Services and Policy Research, 2017
- University of Calgary Internal Medicine Resident Research Day, 2017

#### National and International Committees

- Alberta Health Services COVID-19 Scientific Advisory Committee, Rapid Review Primary Reviewer
- Committee Member & Working Group Lead, Guidelines Dissemination and Implementation Committee, Diabetes Canada 2017 – 2019
- Expert Reviewer, Independent Methods Review Committee, Canadian Diabetes Association – 2018 Clinical Practice Guidelines Committee 2015 – 2018
- Member, Board of Directors, Prescription to Get Active 2020 - present
- Member, Adherence Committee, Hypertension Canada 2020 – present
- Co-investigator, Diabetes Action Canada (National SPOR Research Network) 2019 - present

## VIII. RESEARCH GRANT SUPPORT

Role	CIHR/SSHRC/AI	Other	Total, by role
NPA	\$1,338,736	\$193,000	\$1,531,736
Principal Applicant	\$13,595,211	\$3,870,000	\$17,465,211
Co-Applicant	\$1,987,336	\$6,428,049	\$8,415,385
Collaborator	\$464,886	-	\$464,886
Total, by funding source	\$17,386,169	\$10,491,049	
<b>Grand total</b>			<b>\$27,877,218</b>

- 2022 – Canadian Institutes of Health Research \$100,000  
 Priority Announcement: Patient-Oriented Research: Early-Career Investigator  
 1 year (Apr 2022-Mar 2023)  
 (Nominated Principal Applicant)  
 Donald M, James M, Pannu N, Tsuyuki R (Co-PIs)  
 Preventing medication complications during AcUte illness through Symptom Evaluation and sick day guidance (PAUSE): Development of a Patient-Centered Mobile Health Intervention
- 2022 – Social Sciences and Humanities Research Council \$57,236  
 Insight Development Grant  
 2 years (Sept 2022-Aug 2024)  
 (Nominated Principal Applicant)  
 Exploring resilience and coping among those with diabetes who are experiencing homelessness
- 2022 – Canadian Institutes of Health Research \$1,000,000  
 SPOR National Chronic Disease Networks  
 (Principal Applicant)  
 Lewis G, Whiteside C (NPAs)  
 Mobilizing Knowledge and Implementing Equitable and Cost-Effective Health and Social Care Services for Persons Living with Diabetes in Canada
- 2022 – Cumming School of Medicine – Clinical Research Fund \$25,000  
 Seed Grant  
 1 year (Mar 2022-Feb 2023)  
 (Nominated Principal Applicant)  
 Point-of-Care Screening for A1C, Foot pathology, Eye disease, and Renal complications: the SAFER project
- 2022 – Canadian Institutes of Health Research \$620,000  
 Project Grant  
 3 year (Mar 2022-Feb 2025)  
 (Nominated Principal Applicant)  
 Beall R, Lipscombe L, Olstad D, Spackman E (Co-PIs)

Healthy Food Rx - Empowering food insecure Albertans to manage their diabetes through a subsidized healthy food prescription program: Proposed expansion of a Randomized Controlled Trial

- 2022 - Canadian Institutes of Health Research \$646,000  
 Project Grant  
 3 year (Mar 2022-Feb 2025)  
 (Principal Applicant)  
 Williamson T (NPA), McBrien K, Garies S (Co-PAs)  
 Building evidence for adopting a new disease classification system in Canadian primary care settings: a mixed methods feasibility study
- 2021 – Canadian Institutes of Health Research \$1,000,000  
 Team Grant – Diabetes Mechanisms and Translational Solutions  
 5 years (Jan 2022-Dec 2026)  
 (Principal Applicant)  
 Cherney D (NPA), Perkins B, Layton A, Campbell D (Co-Pas)  
 Sodium Glucose co-transporter-2 inhibition diabetes and kidney function loss in Type 1 diabetes: The "SUGARNSALT" Team Grant Program
- 2021 – Canadian Institutes of Health Research \$459,000  
 Project Grant – Spring 2021  
 4 years (Sep 2021-Aug 2025)  
 (Principal Applicant)  
 Tang K (NPA)  
 Bridging the divide between acute medical care and housing: A comprehensive evaluation of a "medical respite program" for the homeless
- 2021 – Canadian Institutes of Health Research \$100,000  
 Priority Announcement: Patient-Oriented Research: Early-Career Investigator  
 1 year (Sept 2021-Aug 2022)  
 (Nominated Principal Applicant)  
 Beall R, Lipscombe L, Olstad D, Spackman E (Co-PIs)  
 Healthy Food Rx - Empowering food insecure Albertans to manage their diabetes through a subsidized healthy food prescription program: Proposed expansion of a Randomized Controlled Trial
- 2021 – Canadian Institutes of Health Research \$464,886  
 Personalized Health Team Grant  
 4 years (Sep 2021-Aug 2025)  
 (Collaborator)  
 Rabi D (NPA)  
 Canadian Collaboration for Complex Care (C4): Innovations for optimal and appropriate care for all
- 2021 – MSI Foundation \$100,000  
 Research Grant  
 2 years (Sept 2021-Aug 2023)  
 (Co-Applicant)  
 Oster R (PA)

All My Relations - Exploring the impact of a subsidized food prescription on the wellbeing of Indigenous participants with type 2 diabetes: A qualitative and community-based participatory research approach

- 2021 – Canadian Institutes of Health Research \$10,000  
 Bridge Funding: Team Grant: Diabetes Mechanisms and Translational Solutions  
 1 year (Apr 2021-Mar 2022)  
 (Principal Applicant)  
 Cherney D, Layton A, Perkins B (Co-PIs)  
 Sodium Glucose co-transport-2 inhibition diabetes and kidney function loss in Type 1 diabetes: The "SUGARNSALT" Team Grant Program
- 2021 – Canadian Institutes of Health Research \$271,575  
 Project Grant – Fall 2020  
 2 years (Apr 2021-Mar 2023)  
 (Co-Applicant)  
 Campbell T (PI)  
 Developing and evaluating an online intervention to improve the uptake and maintenance of protective behaviours against COVID-19 among young adults in Canada
- 2021 – Canadian Institutes of Health Research \$100,000  
 Priority Announcement: Patient-Oriented Research: Early-Career Investigator  
 1 year (Apr 2021-Mar 2022)  
 (Nominated Principal Applicant)  
 Beall R, Lipscombe L, Olstad D, Oster R, Spackman E (Co-PIs)  
 Healthy Food Rx - Evaluation of a subsidized healthy food prescription program for patients with type 2 diabetes and food insecurity
- 2021 – Canadian Institutes of Health Research \$100,000  
 Priority Announcement: Patient-Oriented Research: Early-Career Investigator  
 1 year (Apr 2021-Mar 2022)  
 (Nominated Principal Applicant)  
 Donald M, James M, Pannu N, Tsuyuki R (Co-PIs)  
 Preventing medication complications during acute illness through Symptom Evaluation and sick day guidance (PAUSE): Development of a Patient-Centered Mobile Health Intervention
- 2021 – Libin Cardiovascular Institute \$7000  
 Equipment Grant  
 (Nominated principal applicant)  
 Novel screening program for patients with diabetes and lived experience of homelessness
- 2020 – Canadian Institutes of Health Research \$6,000,000  
 Canada-Netherlands Research Consortium: Team Grant  
 (Principal Applicant)  
 Carpentier A, Schrauwen P, Layton A, Blondin D, Despres JP, Raina P (Co-PIs)  
 The Right Timing to prevent Type 2 Diabetes: Restoring 24-hour substrate rhythmicity to improve glycemic control by timing of lifestyle factors
- 2020 – Petro Canada Young Innovator Award \$36,100  
 Award  
 1 year

(Nominated principal applicant) Developing and evaluating an innovative novel model of care for patients with diabetes who are experiencing homelessness		
2020 – Anonymous Donor to O’Brien Institute for Public Health	Research Grant	\$500,000
3 years (\$150,000/\$150,000/\$200,000) (Oct 2020-Sept 2023)		
(Principal applicant)		
Milaney K, Day J, Tang K (Co-PIs)		
A Systems Approach to Optimizing Resources for Vulnerable Populations: Data Management and Collaborative Action		
2020 – MSI Foundation	Research Grant	\$100,000
2 years (\$50,000/year) (Sep 2020-Aug 2022)		
(Nominated principal applicant)		
Diabetes in Those Experiencing Homelessness: Describing Clinical Outcomes & Exploring Solutions		
2020 – Calgary Health Trust	Newborn Health Program Research Initiative	\$5,000,000
5 years (\$1m/year) (2020 – 2025 dates TBD)		
(Co-investigator)		
Metcalf A, Slater D, Leijser L. (Co-PIs)		
Prediction, prevention and intervention for preterm birth: the P3 cohort		
2020 – Matching funds (Multiple sources)		\$3,000,000
4 years (July 2020 – June 2024)		
(Principal applicant)		
James M, Manns BJ, Hemmelgarn BR, Pannu N, Pearson W, Tonelli M. (Co-PIs)		
Innovative Clinical Trials Program – Interdisciplinary Chronic Disease Collaboration		
2020 – Canadian Institutes for Health Research	Operating Grant: SPOR Innovative Clinical Trial Multi-Year Grant	\$3,000,000
(Principal applicant)		
4 years (July 2020 – June 2024)		
James M, Manns BJ, Hemmelgarn BR, Pannu N, Pearson W, Tonelli M. (Co-PIs)		
Innovative Clinical Trials Program – Interdisciplinary Chronic Disease Collaboration		
2020 – Alberta Blue Cross	Research Grant	\$370,000
3 years (April 2021-March 2024)		
(Principal applicant)		
Olstad D, Spackman E, Beall R. (Co-PIs)		
Empowering food insecure Albertans to manage their diabetes through a subsidized healthy food prescription program.		
2020 – Alberta Innovates and Alberta Health Services	Partnership for Research and Innovation in the Health System (PRIHS)	\$1,480,211
3 years (April 2020 – March 2023)		
(Principal applicant)		

<p>Olstad D, Spackman E, Beall R. (Co-PIs)  Empowering food insecure Albertans to manage their diabetes through a subsidized healthy food prescription program.</p>	
<p>2020 – Diabetes, Obesity, &amp; Nutrition Strategic Clinical Network  Seed Grant Program  2 years (March 29, 2020 – March 28, 2022)  (Nominated principal applicant)  The Clients with Diabetes Action Committee: A Community-Based Research Collaborative for Developing Interventions to Improve Diabetes Outcomes in those Experiencing Homelessness</p>	<p>\$10,000</p>
<p>2020 – Canadian Institutes for Health Research  Project Grant  3 years (July 2020 – June 2023)  (Co-Investigator)  Ronksley P and Manns B (Principal applicants)  High needs, high cost patients: A precision public health approach to improve lives and system sustainability</p>	<p>\$218,025</p>
<p>2019 – Canadian Institutes for Health Research  Netherlands-Canada Type 2 Diabetes Consortium – Travel Award  (Principal Investigator)  Collaborating to improve diabetes care and healthy behaviours among those facing social disadvantage.</p>	<p>\$3,000</p>
<p>2019 – Diabetes Action Canada  Project Grant  1 year (July 2019 – June 2020)  (Co-Investigator)  Braden O’Neill (PI)  Diabetes care among people with schizophrenia</p>	<p>\$15,000</p>
<p>2019 – Alberta Innovates  Partnership for Research and Innovation in the Health System  3 year (July 1, 2019 – June 30, 2022)  (Co-Investigator)  Kerry McBrien (PI)  ENCOMPASS: ENhancing COMmunity health through Patient navigation, Advocacy and Social Support –Program Expansion</p>	<p>\$1,491,078</p>
<p>2018 – Cal Wenzel Cardiometabolic Research Program  Start-up Project Funds  1 year (Sept 2018-Aug 2019)  (Principal Investigator)  Understanding the experience of individuals living with diabetes who are experiencing homelessness</p>	<p>\$35,000</p>
<p>2018 – Canadian Institutes of Health Research  Innovative Clinical Trials Project Award  3 year (April 1, 2018 – June 30, 2022)</p>	<p>\$1,497,736</p>

- (Co-Investigator)  
 Kerry McBrien (PI)  
 ENCOMPASS: ENhancing COMMunity health through Patient navigation, Advocacy and Social Support
- 2018 – Partner Funding: Operating Grant: SPOR Innovative Clinical Trial Program \$738,711  
 3 year (April 1, 2018 – June 30, 2022)  
 (Co-Investigator)  
 Kerry McBrien (PI)  
 ENCOMPASS: ENhancing COMMunity health through Patient navigation, Advocacy and Social Support
- 2017 – O'Brien Institute for Public Health Program for Research with Vulnerable Populations  
 Catalyst Grant \$13,500  
 2 years (April 1, 2018-March 30, 2020)  
 (Nominated Principal Investigator)  
 Characterizing program models for diabetes control and self-management among those experiencing homelessness
- 2016 – UofC/AHS Clinical Research Fund (Co-Investigator) \$300,000  
 Cumming School of Medicine, University of Calgary  
 Braden Manns (PI)  
 Assessing outcomes of enhanced Chronic disease Care through patient Education and a value-baSed formulary (ACCESS) study
- 2016 – Canadian Diabetes Association \$274,338  
 Operating Grant  
 3 year (Feb. 1, 2016 – Jan. 31, 2019)  
 (Co-Investigator)  
 Kerry McBrien (PI)  
 Survey on the barriers and facilitators to care in patients with poorly controlled diabetes.
- 2012 – Alberta-Innovates Health-Solutions \$245,000  
 Clinician Fellowship  
 3 years  
 (Nominated principal applicant)
- 2011 – Arnold P. Gold Foundation US\$10,000  
 Student-Initiated Project Grant Winner  
 (Nominated Principal Investigator)  
 Community health assessment in Petit Montagne, Haiti.
- 2010 – Help for Haiti Studentship Grant US\$5,000  
 Arnold P. Gold Foundation  
 (Nominated Principal Applicant)  
 June 2010 – August 2010

## IX. INVITED ADDRESSES

1. **Campbell D.** (2023, Feb 8). Patient perspectives of timed lifestyle behaviours. Symposium Colossus Programme Scientifique: Réseau de recherche en santé cardiométabolique, diabète et obésité: Sherbrooke, QC.
2. **Campbell D.** (2022, Nov 18). Providing diabetes care to those experiencing homelessness. Endocrine Fellowship Programs National Academic Halfday: [Virtual].
3. **Campbell D.** (2022, Nov 7). Causes of endocrine hypertension. Canadian Society of Endocrinology & Metabolism Residents Review Course: Calgary, AB.
4. **Campbell D.** (2022, Oct 13). World Food Day: Food Insecurity and Diabetes. L3 Learning Webinar: Faculty of Medicine and Dentistry, University of Alberta: Edmonton, AB [Virtual Event].
5. **Campbell D.** (2022, Sept 25-26). Addressing equity through randomized clinical trials, a focus on ACCESS. Innovative Clinical Trials Symposium: Calgary, AB.
6. Quinn A. **Campbell D.** (2022, Sept 25-26). Introducing the O'Brien Institute's Health Policy Trials Unit. Innovative Clinical Trials Symposium: Calgary, AB.
7. Olstad DL. **Campbell D.** Spackman E. Beall R. (2022, Sept 25-26). Lessons from the FoodRx RCT in Alberta. Innovative Clinical Trials Symposium: Calgary, AB.
8. **Campbell D.** Tsuyuki, R. (2022, Sept 17). Sick Day Medication Guidance for Patients with Diabetes, Kidney Disease, and Heart Failure: Pitfalls and Opportunities. Pharmacy Association of Alberta Professional Development Conference: Calgary, AB.
9. **Campbell D.** (2022, June 3). FoodRx Trial Update: Diabetes, Obesity & Nutrition Core Committee Meeting: Virtual
10. **Campbell D.** (2022, May 19). Application of an administrative definition of homelessness to understand its impact on diabetes outcomes. *Data That Makes a Difference Conference*: Calgary, AB
11. **Campbell, D.** (2022, Feb 7). Success in Applying for Grants for Mixed Methods Research. *Baay Chair Trainee Workshop*: Calgary, AB [Virtual Event].
12. **Campbell, D.** (2022, April 11). Introduction to the PAUSE project for reducing sick day hospitalizations: Medicine Strategic Clinical Network EOI Meeting: Virtual.
13. **Campbell D.** (2022, Feb 15). Managing Diabetes in the Context of Homelessness. *Department of Medicine Grant Rounds*: Calgary, AB [Virtual Event].
14. **Campbell D.,** Ronksley P. (2022, Jan 12). Transitioning from graduate student to academic position. *Interdisciplinary Chronic Disease Collaboration Trainee Rounds Series*: Calgary, AB [Virtual Meeting].
15. **Campbell D.,** Mohamud M. (2021, Nov 18). Diabetes outcomes in white and non-white immigrants in Canada. *Centre for Health Informatics Speaker Series*: Calgary, AB [Virtual Event].

16. **Campbell D.** (2021, Nov 10). Food for Thought: Insulin to Innovation. *The Royal Canadian Institute for Science*. [Virtual Event].
17. Dhaliwal K, **Campbell D.** (2021, Sept 22). Legal and ethical research considerations. Invited lecture to students at the University of Northern British Columbia: Prince George, BC [Virtual]
18. **Campbell D.** (2021, June 21). The impact of socioeconomic factors on diabetes outcomes. *The Common Denominator Virtual Conference*: Calgary, AB [Virtual Event].
19. **Campbell D.** (2021, Feb 24). Novel interventions to improve care and outcomes for socially disadvantaged populations with diabetes. Research Canada: Parliamentary Health Research Caucus Virtual Reception: Ottawa, ON [Virtual Event].
20. Dhaliwal K, **Campbell D.** (2021, Feb 5). Exploring diabetes care and outcomes in individuals who have been incarcerated. P2 Cardiovascular Health Test Your Concept Retreat: Calgary, AB. [Virtual Event].
21. **Campbell D.** (2020, Nov 26). Public Health Challenges of Diabetes: Serving Canada's Most Vulnerable Populations. Royal Society of Canada's Celebration of Excellence & Engagement Symposium: Toronto, ON [Virtual Event].
22. **Campbell D.** (2020, Nov 18). So sweet, it'll break your heart: Diabetes and heart disease. Kerby Centre for the 55+ Health and Wellness Fair: Calgary, AB
23. **Campbell D.** (2020, Mar 13). Diabetes prevention and treatment. Libin Heart Health Day. Libin Cardiovascular Institute of Alberta: Calgary, AB.
24. **Campbell D.** (2020, Feb 13). So sweet, it'll break your heart: Diabetes and heart disease. CP Rail Wellness Committee on behalf of the Libin Cardiovascular Institute of Alberta: Calgary, AB
25. **Campbell D.** Campbell, R., McBrien, K., Hwang, S., Booth, G. (2019, Nov 22). *Home Sweet Home(less): Diabetes & homelessness, a community-based participatory research project*. Invited professor address to Citywide Division of Endocrinology & Metabolism Rounds, University of Toronto: Toronto, ON.
26. **Campbell D,** Campbell R, Larsen M. (2019, Nov 7). *The Clients with Diabetes Action Committee: Designing and Conducting a Community-based Participatory Research Project*. O'Brien Institute for Public Health/Department of Community Health Sciences Seminar Series: Calgary, AB.
27. Soos B, **Campbell D,** Williamson T. (2019, Oct 24). *Modification, confounding and statistical modelling*. Invited professor address at Universidad Iberoamericana: Mexico City, Mexico.
28. **Campbell D.** (2019, Oct 23). *Socioeconomic determinants of cardiovascular outcomes & proposed interventions to level the playing field*. Invited professor address at Universidad Iberoamericana: Mexico City, Mexico.
29. **Campbell D.** (2019, Mar 13). *Innovations in providing diabetes care for individuals experiencing homelessness*. Baay Chair Nephrology Research day: Calgary, AB.

30. **Campbell D.** (2018, Dec 7). *Exploring the landscape of diabetes care for people experiencing homelessness in Canada*. Banting and Best Diabetes Centre Research in Progress Rounds: Toronto, ON.
31. **Campbell D, Campbell R.** (2018, February 24). Balancing family and internal medicine training. Internal Medicine Residency Program Annual Retreat: Kananaskis, AB.
32. **Campbell D.** (2017, Nov 1-4). *Financial barriers in patients with diabetes: The role of healthcare providers*. Panel address given at Diabetes Canada/Canadian Society of Endocrinology & Metabolism Annual Conference: Edmonton, AB.
33. **Campbell D.** (2017, May 17). Journal Club: *Estimated effects of adding universal public coverage of an essential medicines list to existing public drug plans in Canada*. Alberta Health Economics Journal Club: Calgary, AB
34. **Campbell D.** (2016, Nov 4). *The association between financial barriers and adverse clinical outcomes among patients with cardiovascular-related chronic diseases: A cohort study*. Alberta Health Economics Study Group: Calgary, AB
35. **Campbell D.** (2016, Feb 24). *Economic Evaluation alongside a Randomized Controlled Trial*. Address to the Health Economics Trainee Rounds: Calgary, AB.
36. **Campbell D. Pyda J.** (2013, Dec 29). *Dispensaire Bouli, Plateau Central*. Invited address to the community at Université Quisqueya: Port-au-Prince, Haiti.
37. **Campbell D. Pyda J,** (2011, June 25). *Vision for a dispensary in Bouli*. Invited address to the Sacred Heart Parish Annual Fundraiser Banquet: Knoxville, TN
38. **Campbell D.** (2010, Oct 20). *Health inequities in Haiti – the case for a clinic in Bouli*. Invited address to the Rich Man Poor Man Fundraising Dinner: Calgary, AB

## Reports

1. McLane P, Campbell T, Roach P, Oxoby R, Saxsinger L, **Campbell D**. (2020). *COVID-19 Scientific Advisory Group Rapid Evidence Report: Attitudes and Adherence to COVID-19 Guidelines*. Calgary, AB: Alberta Health Services.
2. Clement F, Spackman E, Soril L, **Campbell D**, Manns B. (2016). *Summary of Alberta provincial drug plan roundtable*. Calgary, AB: University of Calgary for Alberta Health.

3. Clement F, Soril L, Emery H, **Campbell D**, Manns B. (2016). *Canadian publicly funded prescription drug plans, expenditures and an overview of patient impact*. Calgary, AB: University of Calgary for Alberta Health.
4. Manns B, Tonelli M, Kozinski A, Zhang J, **Campbell D**, Johnson J, et al. (2011). Improving the care of patients with diabetes within primary care networks. *Alberta Innovates - Health Solutions: Knowledge Translation Casebook, 2, 27-33*.
5. Manns B, Tonelli M, **Campbell D**, Zhang J, Johnson J, Sargious P, et al. (2011). *The Impact of primary care networks on the care and outcomes of patients with diabetes*. Calgary, AB: Interdisciplinary Chronic Disease Collaboration for Alberta Health Services.
6. **Campbell D**, Gibson K, Thurston W. (2011). *A healthcare needs assessment for Calgary's homeless populations and the role of a student-run medical clinic*. Calgary, AB: University of Calgary for the Bridges Student Run Clinic.
7. **Campbell D**, Thurston W. (2010). *Evaluation of a new prosthetics provision service in rural Haiti: The Haiti Amputee Coalition*. Calgary, AB: University of Calgary for Hanger Prosthetics and Hôpital Albert Schweitzer.

#### Abstracts & Presentations

1. Tariq S, Olstad D, Beall R, Spackman E, Dunn S, Lashewicz B, Elliott M, **Campbell D** (2022, Dec 5-8). *Acceptability of a food incentive program from the view of people with type 2 diabetes and household food insecurity*. International Diabetes Federation (IDF) World Diabetes Congress. Lisbon, Portugal.
2. Scott S, Grewal E, Macavinta F, **Campbell D**. (Dec 5-8, 2022). Using a SAFER model to screen for diabetes complications among people experiencing homelessness. International Diabetes Federation (IDF) World Diabetes Congress. Lisbon, Portugal.
3. Larsen M, Tariq S, Grewal E, **Campbell D**. (Dec 5-8, 2022). Using participatory research to understand barriers to diabetes management experienced by homeless shelter clients. International Diabetes Federation (IDF) World Diabetes Congress. Lisbon, Portugal.
4. Paltzat K, Scott S, Dhaliwal K, Macci A, Saunders-Smith T, Manns B, **Campbell D**. (Dec 5-8, 2022). Patient perspectives on the MOXIE educational intervention for chronic health management. International Diabetes Federation (IDF) World Diabetes Congress. Lisbon, Portugal.
5. Tran S, Fletcher J, McSweeney B, Manns B, **Campbell D**. (Dec 5-8, 2022). Exploring patient perspectives on the impact of losing a copayment elimination benefit: a qualitative analysis. International Diabetes Federation (IDF) World Diabetes Congress. Lisbon, Portugal.
6. Leong M, **Campbell D**, Ronksley P, Garcia-Jorda D, Ludlow N, McBrien K. (Nov 18-22, 2022). The role of community health navigators in the creation of plans to support patients with chronic conditions. North American Primary Care Research Group. Phoenix, AZ

7. O'Neill B, Kiran T, **Campbell D.** (Nov 18-22, 2022). Diabetes care among people with and without schizophrenia in three Canadian provinces: retrospective cohort study. North American Primary Care Research Group. Phoenix, AZ
8. Tariq S, Grewal E, Larsen M, **Campbell D.** (2022, Nov 9-12). Identifying factors that would make it easier for people who are experiencing homelessness to manage their diabetes: Prioritizing needs using a participatory action research approach. Poster at the Diabetes Canada/CSEM Professional Conference: Calgary, AB
9. Wiens K, Bai L, **Campbell D.** (Nov 2-4, 2022). Improving Diabetes Care for People Experiencing Homelessness: using data linkage to identify existing disparities in service use and opportunities for intervention. Canadian Alliance to End Homelessness National Conference on Ending Homelessness. Toronto, ON
10. Garies S, Cummings M, Denny K, Southern D, Eastwood C, McBrien K, Dickinson J, Quan H, Ghali W, McDonald T, Ten Napel H, van Boven K, Olagundoye O, Singer A, **Campbell D,** Crampton N, Drummond N, Schrans D, Williamson T. (Oct 17-21, 2022). Standardizing medical procedure text from primary care electronic medical records in Canada. World Health Organization Family of International Classifications Network Annual Meeting. Geneva, Switzerland.
11. Paltzat K, Scott S, Dhaliwal K, Macci A, Saunders-Smith T, Manns B, **Campbell D.** (Oct 3-4, 2022). Patient perspectives on the MOXIE educational intervention for chronic health management. Northwest Collaborative SPOR Forum. Calgary and Edmonton, AB.
12. Larsen M, Tariq S, Grewal E, **Campbell D.** (Oct 3-4, 2022). A community based participatory research approach to understanding barriers to diabetes management experienced by homeless shelter clients. Northwest Collaborative SPOR Forum. Calgary and Edmonton, AB.
13. Grewal E, Scott S, Macavinta F, **Campbell D.** (Oct 3-4, 2022). Piloting a SAFER model to screen for diabetes complications among people experiencing homelessness. Northwest Collaborative SPOR Forum. Calgary and Edmonton, AB.
14. Fletcher J, **Campbell D,** Quinn A, Beall R, Manns B. (Sept 9, 2022). *Reducing inequities in pharmaceutical access: Can we make cost-sharing better for all?* Alberta Health Economics Study Group. Calgary, AB.
15. Lee Y, Caron-Roy S, Turko B, Shearer S, Barker D, **Campbell D,** Elliott C, Raine K, Tyminski S, Olstad D. (June 14-16, 2022). Experiences and perceived outcomes of a grocery gift card program for low-income households at risk of food insecurity. American Society of Nutrition. Virtual Meeting.
16. Black J, **Campbell D,** Ronksley P, Lang E, McBrien K, Williamson T. (June 9-12, 2022). Impact of the Choosing Wisely Canada recommendations on potentially inappropriate antibiotic prescribing in emergency medicine across Alberta, Canada: An interrupted time-series analysis. Preventing Overdiagnosis Conference. Calgary, AB.
17. Sharan R, Wiens K, Booth G, Ronksley P, Spackman E, Hwang S, Austin P, **Campbell D.** (May 31-June 2, 2022). The rate of Major Adverse Cardiovascular Events and Revascularization Procedures among People with Diabetes Experiencing Homelessness. Canadian Association of Health Services and Policy Research Annual Conference. Virtual

Meeting.

18. Larsen M, Tariq S, Grewal E, **Campbell D**. (May 31-June 2, 2022). Understanding intrinsic factors that influence people's practice of diabetes self-management while experiencing homelessness in Calgary, AB. Canadian Association of Health Services and Policy Research Annual Conference. Virtual Meeting.
19. Tariq S, Larsen M, Grewal E, **Campbell D**. (May 31-June 2, 2022). External factors that affect diabetes management for people who are experiencing homelessness. Canadian Association of Health Services and Policy Research Annual Conference. Virtual Meeting.
20. McMurtry E, Watson K, Dhaliwal K, Drall K, Lamont N, **Campbell D**, Pannu N, Tsuyuki R, Donald M, James M. (May 31-June 2, 2022). Sick day medication guidance for people with diabetes, kidney, or cardiovascular disease: A scoping review. Canadian Association of Health Services and Policy Research Annual Conference. Virtual Meeting.
21. Benterud E, **Campbell D**, Pannu N, Tsuyuki R, Watson K, Dhaliwal K, Donald M, James M. (May 31-June 2, 2022). Developing Consensus Recommendations to Inform the Design of "Sick Day" Medication Guidance Interventions: Healthcare Providers Opinions' using a Modified Delphi Process. Canadian Association of Health Services and Policy Research Annual Conference. Virtual Meeting.
22. **Campbell D**, Dhaliwal K, Pannu N, Tsuyuki R, Watson K, Dhaliwal K, James M, Donald M. (May 31-June 2, 2022). Sick Day Medication Guidance: An Exploration of Patient and Healthcare Provider Experiences. Canadian Association of Health Services and Policy Research Annual Conference. Virtual Meeting.
23. Leong M, **Campbell D**, Ronksley P, Ludlow N, Garcia Jorda D, McBrien K. (May 31-June 2, 2022). Understanding how Community Health Navigators tailor patient support: An analysis of case notes. Canadian Association of Health Services and Policy Research Annual Conference. Virtual Meeting.
24. Dunn, S, **Campbell D**, Beall R, Spackman E, Lipscombe L, Benzies K, McCormack G, Olstad D. A Healthy Food Prescription Incentive Program for Adults with Type 2 Diabetes who are Experiencing Food Insecurity: Protocol for a Longitudinal Qualitative Study. Current Developments in Nutrition. NUTRITION 2022 LIVE ONLINE
25. Wiens K, Ronksley P, Hwang S, Booth G, **Campbell D**. (Dec 6-11, 2021). Long-term association between homelessness and mortality among patients with diabetes who use hospital services. International Diabetes Federation Congress. Virtual Meeting.
26. Mohamud M, Ronksley P, **Campbell D**. (Dec 6-11, 2021). Association between Immigration-status and diabetes-related adverse outcomes in Canada. International Diabetes Federation Congress. Virtual Meeting.
27. **Campbell D**, Grewal E, Tibebu T, Gonzalez P, Campbell R, Hwang S, McBrien K, Booth G. (Dec 6-11, 2021). What can be done to improve diabetes care for the homeless? A comprehensive international scoping review of interventions. International Diabetes Federation Congress. Virtual Meeting.

28. Dhaliwal K, Lorenzetti D, Johnson D, **Campbell D.** (Nov 4-5, 2021). A Scoping Review Protocol for Investigating Diabetes Mellitus in the Context of Incarceration. Custody & Caring Biennial Conference. Virtual Meeting.
29. Dhaliwal K, Olstad D, **Campbell D.** (Nov 4-5, 2021). Diabetes management and self-management in correctional facilities: A qualitative case study investigation. Custody & Caring Biennial Conference. Virtual Meeting.
30. Garcia-Jorda D, **Campbell D,** Malkin J, Matus P, McBrien K. (Nov 19-23, 2021). Experiences of ENCOMPASS Community Health Navigators during COVID-19 first wave shutdown (Spring 2020). North American Primary Care Research Group Annual Meeting. Virtual Conference.
31. Leong M, **Campbell D,** Ronksley P, Garcia-Jorda D, Ludlow N, McBrien K. (Nov 19-23, 2021). Understanding how Community Health Navigators tailor patient support: An analysis of case notes. North American Primary Care Research Group Annual Meeting. Virtual Conference.
32. Chong C, **Campbell D,** Elliott M, Aghajafari F, and Ronksley P. (Nov 4-7, 2021). Determining the Association between Continuity of Primary Care and Acute Care Use among Adults with Chronic Kidney Disease in Alberta, Canada. American Society of Nephrology Kidney Week, San Diego, CA.
33. **Campbell D,** Campbell DB, Ogundeji Y, Au F, Beall R, Ronksley P, Quinn A, Manns B, Hemmelgarn B, Tonelli M, Spackman, E. (Nov 23-26, 2021). First-line pharmacotherapy for incident type 2 diabetes: Prescription patterns, adherence, and associated costs in Alberta. Diabetes Canada/CSEM Professional Conference, Virtual Conference.
34. McSweeney B, Campbell R, Grewal E, **Campbell D.** (Nov 23-26, 2021). Barriers to accessing diabetes specialty care faced by individuals experiencing homelessness in Canada. Diabetes Canada/CSEM Professional Conference, Virtual Conference.
35. Grewal E, Tariq S, Larsen M, **Campbell D.** (Nov 23-26, 2021). Barriers and Facilitators to Managing Diabetes While Experiencing Homelessness. Diabetes Canada/CSEM Professional Conference, Virtual Conference.
36. Wiens K, Ronksley P, Hwang S, Booth G, **Campbell D.** (Nov 23-26, 2021). Demographic and clinical characteristics of diabetic patients with and without a history of homelessness. Diabetes Canada/CSEM Professional Conference, Virtual Conference.
37. Quinn A, Campbell DB, Au F, Chew D, Ogundeji Y, Ronksley P, Beall R, Manns B, Tonelli M, Hemmelgarn B, **Campbell D.** (Nov 23-26, 2021). Describing the Uptake and Patterns of SGLT2 Inhibitor Use among Adults with Type 2 Diabetes in Alberta, Canada. Diabetes Canada/CSEM Professional Conference, Virtual Conference.
38. Moran C, **Campbell D,** Campbell T, Roach P, Bourassa L, Collins Z, Stasiewicz M, McLane P. (May 19-21, 2021). Predictors of Attitudes and Adherence to COVID-19 Public Health Guidelines in Western Countries: A Rapid Review of the Emerging Literature. Canadian Association for Health Services and Policy Research Conference, Virtual Conference.
39. Tariq H, Evans M, Bassyouni H, **Campbell D.** (May 19-21, 2021). Developing and evaluating an innovative novel model of care for patients with diabetes who are experiencing

homelessness: a pilot trial. Canadian Association for Health Services and Policy Research Professional Conference, Virtual Conference.

40. Thieba C, Signal R, Butalia S, Rabi D, McKeen J, **Campbell D.** (May 19-21, 2021). Impact of COVID19-related expansion in virtual care provision on attendance at diabetes centre appointments, by socioeconomic status. Canadian Association for Health Services and Policy Research Conference, Virtual Conference.
41. Grewal E, Campbell R, Booth G, McBrien K, Hwang S, O'Campo P, **Campbell D.** (May 19-21, 2021). Diabetes self-management and homelessness: Using concept mapping to understand and prioritize challenges. Canadian Association for Health Services and Policy Research Conference. Virtual Meeting.
42. Gonzalez P, Sidhu S, Petricone-Westwood D, Brewis C, Rabi D, **Campbell D.** (May 19-21, 2021). Understanding approaches to psychosocial care within tertiary care diabetes centres in Canada: An environmental scan. Canadian Association for Health Services and Policy Research Conference, Virtual Conference.
43. Tran S, Weaver R, Manns B, Saunders-Smith T, Campbell, T, Ivers N, Hemmelgarn B, Tonelli M, Pannu R, **Campbell D.** (May 19-21, 2021). Designing self-management education support programs for lower-income seniors. Canadian Association for Health Services and Policy Research Annual Conference, Virtual Conference.
44. Dhaliwal K, **Campbell D.** (May 19-21, 2021). Diabetes management and self-management in correctional facilities: A qualitative case study investigation. Canadian Association for Health Services and Policy Research Annual Conference. Virtual Meeting.
45. Fox D, Dhaliwal K, King-Shier K, Quinn R, **Campbell D.** (May 19-21, 2021). The characteristics of ethnographies used to explore the experiences of people managing chronic physical health conditions: A systematic review. Canadian Association for Health Services and Policy Research Annual Conference. Virtual Meeting.
46. Dunn S, **Campbell D,** Beall RF, Spackman E, Lipscombe L, Williams K, Oster RT, Scott S, Zimmermann GL, McBrien KA, Steer KJD, Chan CB, Tyminski S, Berkowitz SA, Edwards AL, Saunders-Smith T, Tariq S, Popeski N, White L, Williamson T, L'Abbe MR, Raine KD, Nejatnamini S, Naser A, Basualdo-Hammond C, Norris D, O'Connell P, Seidel J, Cabaj J, Olstad DL. A subsidized healthy food prescription program for adults with type 2 diabetes who are experiencing food insecurity. Protocol for a randomized controlled trial. Poster presented at Nutrition Live Online 2021. American Nutrition Society Annual Conference; 2021 June 7 – 10; Virtual.
47. Lee Y, Caron-Roy S, Turko B, Shearer J, Barker D, **Campbell D,** Elliott C, Raine K, Tyminski S, Olstad D. I Can for Kids: experiences and perceived outcomes of a summer food program for low-income households at risk of food insecurity in Calgary, Alberta, Canada, *Current Developments in Nutrition*
48. Olstad D, Nejatnamini S, Kirkpatrick S, Vanderlee L, Livingstone K, **Campbell D,** Tang K, Minaker L, Hammond D. Does stress-related poor diet quality explain socioeconomic inequities in health? A structural equation mediation analysis in women and men. *Current Developments in Nutrition*, 2021. American Society for Nutrition, Nutrition Live Online 2021

49. Olstad D, Nejatnamini S, Kirkpatrick S, Vanderlee L, Livingstone K, **Campbell D**, Tang K, Minaker L, Hammond D. Does stress-related poor diet quality explain socioeconomic inequities in health? A structural equation mediation analysis of gender-specific pathways. International Society of Behavioral Nutrition and Physical Activity Xchange 2021, Jun 2021
50. Gonzalez P, Sidhu S, Petricone-Westwood D, Brewis C, Rabi D, **Campbell D**. (Nov 20, 2020). Understanding approaches to psychosocial care within tertiary care diabetes centres in Canada: An Environmental Scan. Rocky Mountain Internal Medicine Conference. Virtual Meeting.
51. Mancini N, Campbell R, Yaphe H, Tibebu T, Grewal E, Saunders-Smith T, Hwang S, McBrien K, Booth G, **Campbell D**. (Nov 12, 2020). Identifying Challenges and Solutions to Providing Diabetes Care for the Homeless. CSCI-CITAC Young Investigator Meeting, Virtual Conference.
52. Fox D, **Campbell D**, King-Shier K, Ravani P, Quinn R. (Oct 13-Nov 20, 2020). Facilitating Successful Transitions to Home Dialysis. AbSPORU Virtual Institute, Virtual Conference.
53. Grewal E, Campbell R, Booth G, Hwang S, McBrien K, **Campbell D**. (Oct 13-Nov 20, 2020). Diabetes self-management and homelessness: Using concept mapping to understand and prioritize challenges. AbSPORU Virtual Institute, Virtual Conference.
54. **Campbell D**, Grewal E, Campbell R, Booth G, McBrien K, Hwang S. (Oct 13-Nov 20, 2020). Community-based participatory research and knowledge translation: Lessons from a Toronto-based client group. AbSPORU Virtual Institute, Virtual Conference.
55. Campbell R, Booth G, Hwang S, McBrien K, **Campbell D**. (Oct 13-Nov 20, 2020). Giving a voice to the voiceless: Use of an arts-based approach to understand the challenges of managing diabetes while homeless. AbSPORU Virtual Institute, Virtual Conference.
56. Ronksley P, Wick J, **Campbell D**, Beall R, McBrien K. (Nov 20-24, 2020). Segmenting high-needs patients within primary care into potentially actionable groups. North American Primary Care Research Group, Virtual Conference.
57. McBrien K, **Campbell D**, Garcia-Jorda D, Ludlow N. (Nov 20-24). Challenges implementing a navigation program for adults with chronic conditions. Results from the ENCOMPASS pilot study. North American Primary Care Research Group, Virtual Conference.
58. Mancini N, Campbell R, Yaphe H, Tibebu T, Grewal E, Saunders-Smith T, Hwang S, McBrien K, Booth G, **Campbell D**. (Oct 28-30, 2020). Identifying Challenges and Solutions to Providing Diabetes Care for the Homeless. Diabetes Canada/CSEM Professional Conference, Virtual Conference.
59. Yaphe H, Campbell R, Mancini N, Grewal E, Tibebu T, Saunders-Smith T, Booth G, McBrien K, Hwang S, **Campbell D**. (Oct 28-30, 2020). Approaches to Enabling Care for People with Diabetes Experiencing Homelessness. Diabetes Canada/CSEM Professional Conference, Virtual Conference.
60. Campbell R, Saunders-Smith T, Tibebu T, Grewal E, Yaphe H, Mancini N, Hwang S, McBrien K, Booth G, **Campbell D**. (Oct 28-30, 2020). Patient-level Barriers to Diabetes Management

Among those with Housing Instability. Diabetes Canada/CSEM Professional Conference, Virtual Conference.

61. Grewal E, Campbell R, Booth G, Hwang S, McBrien K, **Campbell D**. (Oct 28-30, 2020). Diabetes Management and Homelessness: Understanding Barriers Using Concept Mapping. Diabetes Canada/CSEM Professional Conference, Virtual Conference.
62. **Campbell D**, Ghuttora H, Mladenovic A, Manns B, Smith J, Ivers N, Desveaux L, Tonelli M, Naugler C, McBrien K. (Oct 28-30, 2020). Variation in Patient-described Barriers and Facilitators to Diabetes Self-Management by Glycemic Control and Individual-Level Characteristics. Diabetes Canada/CSEM Professional Conference, Virtual Conference.
63. Tran S, Weaver R, Manns B, Saunders-Smith T, Ivers N, Tonelli M, Pannu R, **Campbell D**. (Oct 28-30, 2020). Self-management health education programs for the prevention of cardiovascular disease: Perspectives of lower-income seniors. Diabetes Canada/CSEM Professional Conference, Virtual Conference.
64. Almasri I, McBrien K, **Campbell D**, Abbara A, Fabreau G. (Oct 28-30, 2020). Describing the Structure Processes and Costs of a Novel Diabetes Care Program for Refugees. Diabetes Canada/CSEM Professional Conference, Virtual Conference.
65. Almasri I, McBrien K, **Campbell D**, Abbara A, Fabreau G. (June 4 – 6, 2020). Describing the Structure Processes and Costs of a novel Diabetes Care Program for Refugees in Lebanon Chronic Disease. North American Refugee Health Conference (NARHC), Cleveland, OH. [conference canceled]
66. Ronksley P, Wick J, **Campbell D**, Beall R, Hemmelgarn B, Tonelli M, Manns B. (May 27-29, 2020). Segmenting persistently high-cost individuals into actionable groups. Canadian Association for Health Services and Policy Research (CAHSPR) Annual Conference. Saskatoon, SK. [conference canceled]
67. Garcia-Jorda D, **Campbell D**, Ludlow N, McBrien K. (2020, May 26 – 29). *Challenges in implementing a navigation program for adults with multiple chronic conditions. Results from the ENCOMPASS pilot study*. Oral presentation at CAHSPR Annual Conference, Saskatoon, SK. [conference canceled]
68. Campbell R, McBrien K, Booth G, Hwang S, Hunte D, **Campbell DJ**. (2020, May 26 – 29). *Giving a voice to the voiceless: Use of an arts-based approach to understand the challenges of managing diabetes while homeless*. Oral presentation at CAHSPR Annual Conference, Saskatoon, SK. [conference canceled]
69. **Campbell DJ**, Campbell R, Booth G, McBrien K, Hwang S, Grewal E, O'Campo P. (2020, May 26 – 29). *Diabetes self-management and homelessness: Using concept mapping to understand and prioritize challenges*. Oral presentation at CAHSPR Annual Conference, Saskatoon, SK. [conference canceled]
70. **Campbell DJ**, Campbell R, Hunte D, Booth G, McBrien K, Hwang S. (2020, May 26 – 29). *Community-based Participatory Research and Knowledge Translation: Lessons from a Toronto-based client group*. Oral presentation at CAHSPR Annual Conference, Saskatoon, SK. [conference canceled]

71. Ganesh A, Jewitt G, **Campbell D**, Singh Sidhu R, Al-Sultan A, Wong J, Menon B. (April 18-21, 2020). Physician Approaches to Anti-thrombotic Management of Patients with Acutely Symptomatic Carotid Stenosis Awaiting Endarterectomy or Stenting A Mixed Methods Study. American Academy of Neurology Annual Conference, Toronto, ON. [conference canceled]
72. **Campbell DJ**, Campbell R, McBrien K, Booth G, Hwang S. (2019, Nov 16-20). *Home Sweet Home(less): Giving diabetes a voice from the street – images and stories from a community-based photovoice project*. Exhibit presented at the North American Primary Care Research Group Annual Meeting, Toronto, ON.
73. McBrien K, Pritchard C, **Campbell D**, Garcia-Jorda D, MacDonald S. (2019, Nov 16-20). *Developing a codebook to guide the team based qualitative analysis in the ENCOMPASS study*. Paper presented at the North American Primary Care Research Group Annual Meeting, Toronto, ON.
74. McBrien K, Pritchard C, **Campbell D**, Garcia-Jorda D, MacDonald S. (2019, Nov 16-20). *Patient, navigator, and provider perspectives on navigating the healthcare system with chronic diseases and social barriers*. Paper presented at the North American Primary Care Research Group Annual Meeting, Toronto, ON.
75. McBrien K, Pritchard C, MacDonald S, Desveaux L, **Campbell D**, Garcia-Jorda D. (2019, Nov 16-20). *Developing an evidence based community health navigation program with a primary Care Network partner*. Paper to be presented at the North American Primary Care Research Group Annual Meeting, Toronto, ON.
76. **Campbell D**, Campbell R, Larsen M, Hwang S. (2019, Nov 4-6). *Creating together: Designing and conducting a community-based participatory research project*. Paper presented at the Canadian Alliance to End Homelessness Annual Meeting: Edmonton, AB.
77. **Campbell D**, Campbell R, Booth G, McBrien K. (2019, Nov 4-6). *Exploring novel ways to overcome challenges of delivering diabetes care to those experiencing homelessness*. Paper presented at the Canadian Alliance to End Homelessness Annual Meeting: Edmonton, AB.
78. **Campbell D**, Campbell R, McBrien K, Booth G, Hwang S. (2019, Nov 4-6). *Home Sweet Home(less): Giving diabetes a voice from the street – Images and stories from a community-based photovoice project*. Exhibit presented at the Canadian Alliance to End Homelessness Annual Meeting: Edmonton, AB.
79. Garcia-Jorda D, Pritchard C, MacDonald C, **Campbell**, Ludlow, N, Fabrea G., McBrien K. (2019, Oct 29-30). *The role of Community Health Navigators in adult chronic conditions. How are they helping my patients? A qualitative study*. Paper presented at Family Medicine Forum: Vancouver, BC.
80. Garcia-Jorda D, Pritchard C, MacDonald C, **Campbell D**, Ludlow N, Fabreau G, McBrien K. (2019, Oct 29-30). *The experience of care for patients with chronic conditions participating in a health navigation program: a qualitative inquiry*. Paper presented at Family Medicine Forum: Vancouver, BC.

81. Pritchard C, MacDonald C, Ludlow N, **Campbell D**, Santana M, Fabreau G, McBrien K. (2019, Oct 29-30). *Health navigation for patients with chronic disease: A pilot study*. Paper presented at Family Medicine Forum: Vancouver, BC.
82. **Campbell D**, Campbell R, McBrien K, Booth G, Hwang S. (2019, Oct 2-5). *Home Sweet Home(less): Giving diabetes a voice from the street – Images and stories from a community-based photovoice project*. Exhibit presented at the Annual Diabetes Canada/Canadian Society of Endocrinology and Metabolism Professional Conference. Winnipeg, MB.
83. **Campbell D**, Campbell R, McBrien K, Booth G, O'Campo P, Vasa P, Hwang S. (2019, Oct 2-5). *Diabetes & homelessness: A community-based participatory research project*. Poster presentation at the Annual Diabetes Canada/Canadian Society of Endocrinology and Metabolism Professional Conference. Winnipeg, MB.
84. **Campbell D**, Campbell R, Booth G, Hwang S, McBrien K. (2019, Oct 2-5). *Innovations in Providing diabetes care for individuals experiencing homelessness: an environmental scan*. Poster presentation at the Annual Diabetes Canada/Canadian Society of Endocrinology and Metabolism Professional Conference. Winnipeg, MB.
85. **Campbell D**, Lee R, McBrien K, Anderson T, Quan H, Leung A, Chen G, Lu M, Naugler C, Butalia S. (2019, Oct 2-5). *Patient and family physician perspectives on facilitated relay to enhance use of statins*. Poster presentation at the Annual Diabetes Canada/Canadian Society of Endocrinology and Metabolism Professional Conference. Winnipeg, MB.
86. **Campbell D**, Lee R, McBrien K, Anderson T, Quan H, Leung A, Chen G, Lu M, Naugler C, Butalia S. (2019, Oct 2-5). *Exploring patient and family physician perspectives on initiation and adherence to statin therapy*. Poster presentation at the Annual Diabetes Canada/Canadian Society of Endocrinology and Metabolism Professional Conference. Winnipeg, MB.
87. **Campbell D**, Lee R, McBrien K, Leung A, Anderson T, Naugler C, Quan H, Che, G, Liu M, Butalia S. (2019, May 28-30). *Patient and primary care provider perspectives on facilitated relay to enhance use of statins*. Paper presented at Canadian Association of Health Services and Policy Research Annual Meeting: Halifax, NS.
88. **Campbell D**, Lee R, McBrien K, Anderson T, Quan H, Liu M, Leung A, Chen G, Naugler C, Butalia S. (2019, May 28-30). *Exploring patient and family physician perspectives on initiation and adherence to statin therapy*. Paper presented at Canadian Association of Health Services and Policy Research Annual Meeting: Halifax, NS.
89. Fletcher J, Manns B, Saunders-Smith T, Hemmelgarn B, Tsuyuki R, Tonelli C, **Campbell D**. (2019, May 28-30). *Pharmacist and patient perspectives on recruitment strategies for randomized controlled trials: A qualitative analysis*. Paper presented at Canadian Association of Health Services and Policy Research Annual Meeting: Halifax, NS.
90. Kakumanu S, Tran S, Saunders-Smith T, Manns B, Hemmelgarn B, Tsuyuki R, Tonelli C, Bakal J, Ivers N, Southern D, **Campbell D**. (2019, May 28-30). *Cost-effectiveness and efficacy of recruitment strategies used in a large pragmatic clinical trial targeting low-income seniors: A comparative descriptive analysis*. Paper presented at Canadian Association of Health Services and Policy Research Annual Meeting: Halifax, NS.

91. Campbell R, McBrien K, Hwang S, Booth G, **Campbell D**. (2019, May 28-30). *Characterizing program models for diabetes management among those experiencing homelessness*. Paper presented at Canadian Association of Health Services and Policy Research Annual Meeting: Halifax, NS.
92. McBrien K, Fabreau G, Gleeson N, **Campbell D**, Williamson T, Ivers N. (2018, Nov 9-13). *Enhancing care of patients with multiple chronic conditions through navigation by community health workers*. Paper presented at the North American Primary Care Research Group Annual Meeting, Chicago, IL.
93. **Campbell D**, Mladenovic A, Smith J, Manns B, McBrien K. (2018, Oct 10-13). *Patient-described factors that help and hinder diabetes self-management: using the theoretical domains framework to classify open-ended survey responses*. Paper presented at Diabetes Canada/Canadian Society of Endocrinology & Metabolism Annual Meeting: Halifax, NS.
94. **Campbell D**, Saunders-Smith T, Manns B, King-Shier K. (2018, May 22-24). *Implementation of complex interventions to reduce barriers and improve adherence to self-management of chronic conditions: A qualitative descriptive process evaluation*. Paper presented at the Canadian Association of Health Services and Policy Research Annual Meeting: Montreal, QC.
95. Mladenovic A, Fabreau G, Clare R, Brockmann A, Gleeson N, **Campbell D**, Sakeah J, Rymkiewicz P, McBrien K. (2017, Nov 17-18). *Enhancing community health through patient navigation, Advocacy and Social Support (ENCOMPASS): a pilot study*. Paper presented at Accelerating Primary Care Conference: Calgary, AB.
96. **Campbell D**, Fabreau G, Kline G. (2017, Nov 2-4). *GLP-1 receptor agonists: A novel therapeutic option for refractory nesidioblastosis*. Case presented at Canadian Society of Endocrinology & Metabolism Annual Meeting: Edmonton, AB.
97. **Campbell D**, Soril L, Manns B, Clement F. (2017, Nov 2-4). *Differences in Canadian public medication insurance plans and the impact on out-of-pocket costs*. Paper presented at Diabetes Canada/Canadian Society of Endocrinology & Metabolism Annual Meeting: Edmonton, AB.
98. **Campbell D**, Manns B, Weaver R, Hemmelgarn B, King-Shier K, Sanmartin C. (2017, Nov 2-4). *The association between financial barriers and adverse clinical outcomes among patients with cardiovascular-related chronic diseases*. Paper presented at Diabetes Canada/Canadian Society of Endocrinology & Metabolism Annual Meeting: Edmonton, AB.
99. **Campbell D**, Tam-Tham H, Dhaliwal K, Manns B, Hemmelgarn B, Sanmartin C, King-Shier K. (2017, May 24-26). *Use of mixed methods in research on coronary artery disease, diabetes, and hypertension: a scoping review*. Paper presented at Canadian Association of Health Services and Policy Research Annual Meeting: Toronto, ON.
100. **Campbell D**, Manns B, Weaver R, Hemmelgarn B, King-Shier K, Sanmartin C. (2017, May 24-26). *The association between financial barriers and adverse clinical outcomes among patients with cardiovascular-related chronic diseases*. Paper presented at Canadian Association of Health Services and Policy Research Annual Meeting: Toronto, ON.

101. **Campbell D**, Manns B, Weaver R, Hemmelgarn B, King-Shier K, Sanmartin C. (2017, Apr 22-24). *The association between financial barriers and adverse clinical outcomes among patients with cardiovascular-related chronic diseases*. Paper presented at European Atherosclerosis Society Annual Meeting: Prague, Czech Republic.
102. Ganesh A, King-Shier K, Manns B, Hill M, **Campbell D**. (2017, Apr 22-24). *Financial barriers and consequences for Canadian patients with stroke and heart disease*. Paper presented at American Association of Neurology Annual Meeting: Boston, MA.
103. McBrien K, Tonelli M, Ronskley P, Hemmelgarn B, Mann, B, Ivers N, Saad N, Weaver R, Edwards A, Rabi D, Lewanczuk R, Braun T, **Campbell D**, Naugler C. (2016, Nov 12-16). *The association between primary care attachment and poor glycemic control*. Paper presented at North American Primary Care Research Group Annual Meeting: Colorado Springs, CO.
104. McBrien K, Tonelli M, Ronskley P, Hemmelgarn B, Manns B, Ivers N, Saad N, Weaver R, Edwards A, Rabi D, Lewanczuk R, Braun T, **Campbell D**, Naugler C. (2016, Nov 10-12). *The association between primary care attachment and poor glycemic control*. Paper presented at Family Medicine Forum Annual Meeting: Vancouver, BC.
105. Zeng C, **Campbell D**, Nicholl D, Manns B, Edwards A, Naugler C, McBrien K. (2016, Nov 10-12). *Barriers and facilitators to diabetes care in patients with diabetes – A qualitative study*. Paper presented at the Family Medicine Forum Annual Meeting: Vancouver, BC.
106. **Campbell D**, Manns B, Weaver R, Hemmelgarn B, King-Shier K, Sanmartin C. (2016, Nov 4). *The association between financial barriers and adverse clinical outcomes among patients with cardiovascular-related chronic diseases: A cohort study*. Paper presented at the Alberta Health Economics Study Group: Calgary, AB.
107. **Campbell D**, Rash J, Tonelli M, Campbell T. (2016, Oct 27-28). *A systematic review of interventions to improve adherence to statin medication: What do we know about what works?* Paper presented at Canadian Society of Endocrinology and Metabolism Annual Meeting: Ottawa, ON.
108. McBrien K, Zeng C, Hemmelgarn B, Ivers N, Saad N, Weaver R, Edwards A, Nichols D, **Campbell D**, Desveaux L, Naugler C, Manns B. (2016, Oct 26-29). *Barriers and facilitators to care in patients with diabetes – a cross-sectional survey*. Paper presented at the Canadian Diabetes Association Annual Meeting: Ottawa, ON.
109. **Campbell D**, Manns B, Hemmelgarn B, Sanmartin C, King-Shier K. (2016, May 9-11). *Finding resiliency in the face of financial barriers: Development of a conceptual framework for people with chronic disease*. Paper presented at the Canadian Association of Health Services and Policy Research Annual Meeting: Toronto, ON.
110. **Campbell D**, Manns B, Leblanc P, Hemmelgarn B, Sanmartin C, King-Shier K. (2015, Dec 1-4). *Perceived barriers to care among Albertan First Nations patients with diabetes*. Paper presented at World Diabetes Congress: Vancouver, BC.
111. **Campbell D**, Manns B, Leblanc P, Hemmelgarn B. (2015, Dec 1-4). *Exploring how financial barriers to care affect patients with diabetes*. Paper presented at the Canadian Society of Endocrinology and Metabolism Annual Meeting: Vancouver, BC.

112. **Campbell D**, Boyd J, Campkin L. (2015, May 14-16). *Coronary heart disease patient perspectives on exercise participation: A qualitative metasynthesis*. Paper presented at EuroPrevent: The European Association for Cardiovascular Prevention and Rehabilitation Annual Meeting; Lisbon, Portugal.
113. **Campbell D**, Ronksley P, Manns B, Tonelli M, Sanmartin C, Weaver R, Hennessy D, King-Shier K, Campbell T, Hemmelgarn B. (2014, Oct 22-25). *The association of income with health behavior change and disease monitoring among patients with chronic disease*. Paper presented at the Canadian Diabetes Association/Canadian Society of Endocrinology and Metabolism Annual Meeting; Winnipeg, MB. doi: 10.1016/j.jcjd.2014.07.059
114. **Campbell D**, Lacny S, Weaver R, Manns B, Tonelli M, Barnabe C, Hemmelgarn B. (2013, Oct 2-5). *The modifying effects of age and multimorbidity on the association between Aboriginal status and diabetic control*. Paper presented at the Canadian Society of Internal Medicine Annual Meeting; Toronto, ON.
115. **Campbell D**, King-Shier K, Sanmartin C, Hemmelgarn B, Manns B. (2013, May 28-30). *Assessing the association of economic barriers on care and outcomes for patients with chronic disease*. Paper presented at the Canadian Association of Health Services and Policy Research Annual Conference; Vancouver, BC.
116. Ganesh A, **Campbell D**, Hurley J, Patten S. (2013, May 18-22). *High positive screening rates in an urban homeless population*. Paper presented at the American Psychiatric Association Annual Conference; San Francisco, CA.
117. Lang M, **Campbell D**, Giese-Davis J. (2013, Apr 24-26). *Using a publicly funded population level survey to explore psychosocial outcomes in cancer survivors*. Paper presented at the Canadian Association of Psychosocial Oncology Conference; Ottawa, ON.
118. Ganesh A, **Campbell D**, Hurley J. (2013, Apr 20-23). *Enhancing medical education through a drop-in center clinic and screening project*. Paper presented at the Canadian Conference on Medical Education, Quebec City, QC.
119. **Campbell D**, Pyda J, Satterfield S, Waters T. (2013, Mar 14-16). *Exploring understandings of cholera in a remote Haitian community*. Paper presented at the Consortium of Universities for Global Health Annual Conference; Washington, DC.
120. Pyda J, **Campbell D**, Satterfield S, Waters T. (2013, March 14-16). *Barriers to healthcare service utilization in a remote Haitian community*. Paper presented at the Consortium of Universities for Global Health Annual Conference; Washington, DC.
121. **Campbell D**, Gibson K, Thurston W. (2011, Nov 12-16). *Primary health care needs assessment for Calgary's homeless populations*. Paper presented at the North American Primary Care Research Group Annual Meeting, Banff, AB.
122. Gibson K, **Campbell D**, Thurston W. (2011, Nov. 12-16). *The University of Calgary student-run clinic: Its role in providing healthcare for the homeless and the barriers it may face*. Paper presented at the North American Primary Care Research Group Annual Meeting, Banff, AB.

123. **Campbell D**, Ronksley P, Hemmelgarn B, Manns B. (2011, Oct. 26-29). *The effect of primary care networks on diabetes in Alberta's underserved populations*. Paper presented at the Canadian Diabetes Association/Canadian Society of Endocrine and Metabolism Professional Conference and Annual Meeting, Toronto, ON.
124. **Campbell D**, Manns B, Tonelli M, Zhang J, McBrien K, Sargious P, et al. (2011, Oct. 26-29). *The Impact of primary care networks on the outcomes of diabetes in Alberta*. Paper presented at the Canadian Diabetes Association/Canadian Society of Endocrine and Metabolism Professional Conference and Annual Meeting, Toronto, ON.
125. **Campbell D**, Ronksley P, Hemmelgar B, Manns B. (2011, Oct 13-16). *The effect of primary care networks on diabetes in Alberta's underserved populations*. Paper presented at the Canadian Society of Internal Medicine Annual Meeting, Halifax, NS.
126. Gibson K, **Campbell D**, Thurston W. (2011, June 6-7). *Primary health care needs assessment for Calgary's homeless populations and the role of a student-run medical clinic*. Paper presented at the Canadian National Medical Student Research Symposium, Winnipeg, MB.
127. **Campbell D**, Coll N, Thurston W. (2011, Apr 16-17). *Evaluation of a new prosthetics service in rural Haiti: The Haiti Amputee Coalition*. Paper presented at the Unite for Sight Global Health and Innovation Conference, New Haven, CT.
128. Dirksen M, Chan S, Byrne R, **Campbell D**, Gibson K, Michaels D, et al. (2011, Feb 19-20). *Bridges student-run clinic: Providing socially accountable medicine for all*. Paper presented at the Alberta College of Family Physicians Annual Scientific Assembly, Banff, AB.
129. **Campbell D**, Gibson K, Thurston W. (2011, Jan 22-23). *Primary healthcare needs assessment for Calgary's homeless population and the role of a student-run medical clinic*. Paper presented at the Society of Student Run Free Clinics Conference, Houston, TX.
130. **Campbell D**, Sargious P, Lewanczuk R, McBrien K, Tonelli M, Hemmelgarn B, Manns B. (2010, Dec 2-5). *The use of chronic disease management programs for diabetes by Alberta's primary care networks*. Paper presented at the American Academy of Family Physicians / Society of Teachers for Family Medicine Conference on Practice Improvement, San Antonio, TX.
131. Rypien C, O'Neill B, Byrne R, **Campbell D**, Dirksen M, Gibson K, et al. (2010, Oct 14-16). *Starting a student-run medical clinic in Calgary*. Paper presented at the Canadian Family Medicine Forum, Vancouver, BC.
132. **Campbell D**. (2010, Sept 19-21). *An anthropological inquiry of the importance and operationalization of cultural competency*. Paper presented at the Consortium of Universities for Global Health Annual Conference, Seattle, WA.
