Student/Postdoctoral Supervision

Bachelor's [n=19]

Principal Supervisor	Dien, Rachael (Completed), University of Calgary Student Degree Start Date: 2016/9 Student Degree Received Date: 2020/4 Project Description: We interviewed mothers of moderate and late preterm infants admitted to a neonatal intensive care unit about their experiences with family integrated care. Rachael analyzed the qualitative data and has completed the first draft of the manuscript reporting these results. Present Position: Registered Nurse, Alberta Health Services
Principal Supervisor	Wilson, Jacqueline (Completed) , University of Calgary Student Degree Start Date: 2016/1 Present Position: student
Principal Supervisor	Wasylenko, Deb (Completed), University of Calgry Student Degree Start Date: 2015/1 Project Description: Welcome to Parenthood - Rockyview General Hospital Recipient of 2015 Covenant Health Award
Principal Supervisor	Dang, Jacinthe Ly (Completed), University of Calgary Student Degree Start Date: 2014/5 Student Degree Received Date: 2014/8 Project Description: Family-Centered Care in Bedside Rounds CIHR Health Professional Student Research Award 2014
Principal Supervisor	Syed, Hafsa (Completed), University of Calgary Student Degree Start Date: 2014/1 Project Description: CIHR Health Professional Student Research Award 2014: Qualitative Analysis of Reasons for Drop-Out From Two-Generation Preschool Early Intervention Program
Principal Supervisor	Sengal, Radha (Completed), University of Nottingham Student Degree Start Date: 2011/7 Student Degree Received Date: 2011/8 Project Description: PreHOT Summer Studentship (medical student)-Exploring the reliability and validity of the Observational Rating Scale of Parental Interactions (ORSPI) in Fathers of Late Preterm Infants Present Position: Medical Resident, Nottingham, UK
Principal Supervisor	Taylor, Jessica (Completed), Nottingham University Student Degree Start Date: 2011/6 Student Degree Received Date: 2011/8 Project Description: PreHOT Summer Studentship (medical student) Exploring the reliability and validity of the Observational Rating Scale of Parental Interactions (ORSPI) Present Position: Medical Resident, Nottingham University
Principal Supervisor	Ritz, Lyndsey (Completed), University of Calgary Student Degree Start Date: 2011/6 Student Degree Received Date: 2011/8 Project Description: AIHS Summer Studentship Through the eyes of a new dad: Perceptions of parenting a late preterm infant Present Position: Third Year Undergraduate Student, Business

Principal Supervisor	Rancourt, Hilary (Completed), University of Calgary Student Degree Start Date: 2011/6 Student Degree Received Date: 2011/8 Project Description: AIHS Summer Studentship Prevention-focused parenting education programs: What do parents learn and do differently following participation? Present Position: Registered Nurse
Principal Supervisor	Johnston, Kelly (Completed), University of Calgary Student Degree Start Date: 2010/9 Student Degree Received Date: 2013/8 Project Description: CIHR Health Professional Student Research Award Building Safe Communities From the Start: Qualitative Study of the Mechanisms Underlying Prevention- Focused Parenting Programs Present Position: Registered Nurse
Principal Supervisor	Lakhani, Jahan (Completed), Ireland Student Degree Start Date: 2010/6 Student Degree Received Date: 2010/8 Project Description: PreHOT Summer Studentship Measuring the Attributes of Interdisciplinary Research Teams: The Case of the Preterm Birth and Healthy Outcomes Team Present Position: MD, Ireland
Principal Supervisor	Nelson, Vanessa (Completed), University of Calgary Student Degree Start Date: 2008/6 Student Degree Received Date: 2008/8 Project Description: CIHR Health Professional Student Research Award What are the Costs of Developmental Delays in Low-Income Preschool Children? Present Position: CIHR Health Professional Student Research Award
Principal Supervisor	Lipp, Christopher (Completed), University of Calgary Student Degree Start Date: 2008/5 Student Degree Received Date: 2008/8 Project Description: CIHR Health Professional Student Research Award Community Strategy to Evaluate Preventative Parenting Education Programs Present Position: CIHR Health Professional Student Research Award
Principal Supervisor	Dykema, Meaghan (Completed), University of Calgary Student Degree Start Date: 2007/6 Student Degree Received Date: 2007/8 Project Description: CIHR Health Professional Student Research Award Uploading Computerized Research Data to a Web-Based Data System: A Feasibility Study Present Position: CIHR Health Professional Student Research Award
Principal Supervisor	Dytnerski, Amy (Completed), University of Calgary Student Degree Start Date: 2007/6 Student Degree Received Date: 2007/8 Project Description: CIHR Health Professional Student Research Award Costing Study of a Multiple Component Program for Low Income Preschool Children Present Position: CIHR Health Professional Student Research Award
Principal Supervisor	Dewell, Sarah (Completed), University of Calgary Student Degree Start Date: 2006/6 Student Degree Received Date: 2006/8 Project Description: CIHR Health Professional Student Research Award The voices of caregivers: Understanding change in parenting among vulnerable families Present Position: CIHR Health Professional Student Research Award

Principal Supervisor	Morrish, Rachel (Completed), University of Calgary Student Degree Start Date: 2005/6 Student Degree Received Date: 2005/8 Project Description: CIHR Health Professional Student Research Award Parenting infants and toddlers: Impact of father involvement and social support on maternal self-esteem and self-confidence as a parent Present Position: CIHR Health Professional Student Research Award
Principal Supervisor	Spice, Jane (Completed), University of Calgary Student Degree Start Date: 2005/6 Student Degree Received Date: 2005/8 Project Description: CIHR Health Professional Student Research Award Who are the people accessing inner city health and social services and what do they need? Present Position: CIHR Health Professional Student Research Award
Principal Supervisor	Vrogindewey, Annette (Completed), University of Calgary Student Degree Start Date: 2003/6 Student Degree Received Date: 2003/8 Project Description: CIHR Health Professional Student Research Award Evaluation of point-of-care methods for detection of neonatal hypoglycaemia Present Position: CIHR Health Professional Student Research Award

Master's non-Thesis [n=8]

Academic Advisor	Graham, Kristen (Completed), University of Calgary Student Degree Start Date: 2022/9 Student Degree Received Date: 2024/4
Principal Supervisor	Black, Lena (Completed), University of Calgary Student Degree Start Date: 2020/1 Student Degree Received Date: 2023/4 Project Description: Applicationof the Adaptome to Implementation of Alberta Family Integrated Care toPediatric Inpatient Settings Present Position: Registered Nurse, student
Principal Supervisor	Mailer, Sheri (Completed), University of Calgary Student Degree Start Date: 2008/9 Student Degree Received Date: 2012/6 Project Description: Transitions from NICU to Unit 2 at Alberta Children's Hospital Present Position: Registered Nurse
Principal Supervisor	Silva, Kathryn da (Completed), University of Calgary Student Degree Start Date: 2006/9 Student Degree Received Date: 2010/6 Project Description: Family centre of care in pediatric palliative care Present Position: Nurse Clincian
Principal Supervisor	Williamson, Rachel (Completed), University of Calgary Student Degree Start Date: 2005/9 Student Degree Received Date: 2007/10 Project Description: Stress, coping and family-centred care: The role of nurse practitioners in improving outcomes Present Position: Nurse Practitioner, Pediatrics

Principal Supervisor	Martin, Charlene (Completed), University of Calgary Student Degree Start Date: 2004/9 Student Degree Received Date: 2012/6 Project Description: Family centred care in PACU Present Position: Clinical Nurse Specialist PACU
Co-Supervisor	Ninowski, Jerilyn (Completed), Univeristy of Calgary Student Degree Start Date: 2003/9 Student Degree Received Date: 2005/9 Project Description: Dimensions of Attention-Deficit in First-Time Expectant Mothers: Relations with Parenting Cognitions and Behaviour
Principal Supervisor	Johnson, Maureen (Completed), University of Calgary Student Degree Start Date: 2001/9 Student Degree Received Date: 2003/9 Project Description: Early childhood development, family environment and attention deficit hyperactivity disorder Present Position: Public Health Nurse

Master's Thesis [n=26]

Principal Supervisor	Thompson, Hayley (Completed) , University of Calgary Student Degree Start Date: 2023/9
Co-Supervisor	St.Louis, Julia (Completed), Univeristy of Calgary Student Degree Start Date: 2021/9 Student Degree Received Date: 2023/4 Project Description: Nurses' experiences in learning to provide neonatal palliative care: An interpretive description
Principal Supervisor	Kearley, Tammy (In Progress) , University of Calgary Student Degree Start Date: 2021/1 Present Position: Registered Nurse
Principal Supervisor	Saini, Amrita (Completed), University of Calgary Student Degree Start Date: 2020/1 Student Degree Received Date: 2023/4 Project Description: Factors that Influence Breastfeeding in Punjabi Women Present Position: Graduate Student and Registered Nurse
Principal Supervisor	Moe, Amanda (Completed), University of Calgary Student Degree Start Date: 2020/1 Student Degree Received Date: 2022/12 Project Description: Family Integrated Care in NICU: Effect on breastfeeding at age 2 months Present Position: Graduate Student
Principal Supervisor	Tammy Kearley (In Progress), The University of Calgary Student Degree Start Date: 2020/1 Student Degree Expected Date: 2022/12 Present Position: Staff Nurse
Principal Supervisor	Weisbeck, Sarah (Completed), University of Calgary Student Degree Start Date: 2018/9 Student Degree Received Date: 2021/6 Project Description: Women's Perceptions, Beliefs, and Decision-making Process of ConsumingCannabis During Pregnancy andLactation: An Interpretive Description

Principal Supervisor	Clapperton, Michelle (Completed), University of Calgary Student Degree Start Date: 2018/1 Student Degree Received Date: 2022/4 Project Description: Systematic review of interventions to support first time success with umbilical arterial and venous catheter insertion. Present Position: Registered Nurse, MN student
Co-Supervisor	Shafey, Amy (Completed), Univeristy of Calgary Student Degree Start Date: 2017/9 Student Degree Received Date: 2019/8 Project Description: The experiences of fathers in a family integrated care (FICare) Program

Principal Supervisor	Delhenty, Samantha (Completed), Univerity of Calgary Student Degree Start Date: 2016/9 Student Degree Received Date: 2019/5 Project Description: Breastfeeding Self-Efficacy: Breastmilk Feeding in Mothers of Moderate and Late Preterm Infants in a Level II NICU Present Position: Registered Nurse - Alberta Health Services
Principal Supervisor	Scringer-Wilkes, Maxine (Completed), University of Calgary Student Degree Start Date: 2013/9 Student Degree Received Date: 2017/9 Project Description: Breastmilk Feedingand Parental Leave Policies in Organisation for Economic Co-operation andDevelopment (OECD) Countries: A Systematic Review Present Position: MN Student
Principal Supervisor	Parker, Shannon (Completed), University of Calgary Student Degree Start Date: 2013/9 Student Degree Received Date: 2015/6 Project Description: Two systematic reviewsto improve accuracy of peripheral venous catheter insertion Present Position: Master of Nursing Student
Principal Supervisor	Yates, Morgan (Completed), University of Calgary Student Degree Start Date: 2012/9 Student Degree Received Date: 2015/6 Project Description: 2013, 2014 CCHCSP Rising StarAward; CIHR/ACHRI Training Program; Dean's Entrance Scholarship; QE-IIScholarship; CIHR/ACHRI Training Program Travel Award \$750).Uof C GraduateTravel award (2014Active Health Kids Canada Symposium in Toronto) Do Children'sWeights Relate to Neighborhood Safety? Present Position: Master of Nursing Student
Co-Supervisor	Shriner, Alix (Completed), University of Calgary Student Degree Start Date: 2011/9 Student Degree Received Date: 2013/8 Present Position: PhD Student

Co-Supervisor	Nagulesapillai, Tharsiya (Completed), University of Calgary Student Degree Start Date: 2010/9 Student Degree Received Date: 2012/12 Project Description: Prediction of Breastfeeding Outcomes: Results from the All Our Babies Study
Principal Supervisor	Collins, Ramona (Completed), University of Calgary Student Degree Start Date: 2008/9 Student Degree Received Date: 2014/10 Project Description: Shahk Family Research Award - 12,000 Present Position: Registered Nurse
Principal Supervisor	Montgomery, Lara (Completed), University of Calgary Student Degree Start Date: 2007/9 Student Degree Received Date: 2012/12 Project Description: Effects of an inter-professional workshop on family-centred bedside rounds Present Position: Staff Nurse
Co-Supervisor	Bevan, Ann (Completed), Univeristy of Calgary Student Degree Start Date: 2006/9 Student Degree Received Date: 2008/4 Project Description: Effects of a health promotion program on the development of appropriate nutritional patterns and physical activity in early childhood
Principal Supervisor	Sigalet, Elaine (Completed) , University of Calgary Student Degree Start Date: 2006/9 Student Degree Received Date: 2008/5 Present Position: Lecturer, Faculty of Medicine, Qatar
Co-Supervisor	Erwing, Sheri (Completed), Univeristy of Calgary Student Degree Start Date: 2005/9 Student Degree Received Date: 2007/12 Project Description: Sexually Active Adolescents' Lived Experience of an Abnormal Pap Smear
Co-Supervisor	Watkins, Sarah (Completed) , Univeristy of Calgary Student Degree Start Date: 2005/9 Student Degree Received Date: 2007/9 Project Description: Maternal ADHD Symtoms and Parenting
Principal Supervisor	Hooge, Sharon (Completed) , University of Calgary Student Degree Start Date: 2005/9 Student Degree Received Date: 2010/8 Present Position: Perinatal Educator
Principal Supervisor	Guillery, Margaret (Completed), University of Calgary Student Degree Start Date: 2003/9 Student Degree Received Date: 2010/5 Present Position: Patient Care Manager, Postpartum
Co-Supervisor	Semple, Debbie (Completed), Univeristy of Calgary Student Degree Start Date: 2002/9 Student Degree Received Date: 2004/9 Project Description: The relation between mother's symptoms of attention-deficit/ hyperactivity disorder (ADHD) and mother-infant interactions

Co-Supervisor	Yee, Wendy (Completed), Univeristy of Calgary Student Degree Start Date: 2002/9 Student Degree Received Date: 2004/9 Project Description: Does the antenatal consultation meet the perceived information needs of the patient in preterm or threatened preterm labour?
Doctorate [n=19]	
Principal Supervisor	Sonje Juul (In Progress), The University of Calgary Student Degree Start Date: 2021/9 Student Degree Expected Date: 2023/6 Project Description: Midwifery care and preterm birth Present Position: Full time student
Academic Advisor	Wiesbeck, Sarah (In Progress) , University of Calgary Student Degree Start Date: 2020/1 Project Description: PhD (transfer from MN)
Academic Advisor	Krista Wollny (Completed), The University of Calgary Student Degree Start Date: 2019/9 Student Degree Received Date: 2022/4 Project Description: UnplannedExtubations: Adverse Events in Pediatric Critical Care Present Position: Sessional Instructor
Principal Supervisor	Wilson, Jacqueline (In Progress) , University of Calgary Student Degree Start Date: 2019/6 Present Position: Registered Nurse, Student
Co-Supervisor	Anis, Lubna (Completed), Univeristy of Calgary Student Degree Start Date: 2018/9 Student Degree Received Date: 2020/8 Project Description: Reflective function, maternal-child interactions and child development: Impact intervention for high risk families, innovative methods, measurement and fidelity assessment
Co-Supervisor	Ali, Elna (Completed), Univeristy of Calgary Student Degree Start Date: 2018/4 Student Degree Received Date: 2020/8 Project Description: Prenatal anxiety, attachment security, and children's internalizing and externalizing problems
Principal Supervisor	Mackay, Lyndsay (Completed), University of Calgary Student Degree Start Date: 2017/9 Student Degree Received Date: 2019/8 Project Description: Effect ofvideo-modeled play on interactions between mothers at high social risk andtheir chronically hospitalized infants Present Position: PhD student
Co-Supervisor	Cameron, Emily (Completed), Univeristy of Calgary Student Degree Start Date: 2016/9 Student Degree Received Date: 2017/4 Project Description: Sleep interventions
Principal Supervisor	Dewell, Sarah (Completed), University of Calgary Student Degree Start Date: 2015/9 Student Degree Received Date: 2019/8 Project Description: Yr 1-Yr 3 Eyes High PhD -University of Calgary ARNET scholarship 2016 - \$5000 AOB/F 2016: \$10K top-up Present Position: PhD Student

Principal Supervisor	Headley, Lynn (Completed), University of Calgary Student Degree Start Date: 2015/9 Student Degree Received Date: 2019/8 Project Description: CUPS Prenatal to Three Program Present Position: PhD; Changed supervisors after proposal was drafted
Principal Supervisor	 Brockway, Meredith (Completed), University of Calgary Student Degree Start Date: 2014/9 Student Degree Received Date: 2019/6 Project Description: Breastfeeding outcomes related to FICare 2020 (2019- 2021) – Molly Towell PDF Award; 2018 CNF Award; 2017 FoN Pursuit of Excellence, Inspirational Graduate Student Award; 2016 AIHS SPOR - \$30K; 2015 ARNET PhD Scholarship. 2015 Graduate Scholarship - \$20,000; SPOR Scholarship - \$30k over 1 year. 2015 (Sept) Education for the Future Doctoral Scholarship in Nursing 2015 (Sept) Charlotte Firth Memorial Graduate Scholarship in Community Health Nursing - \$800 2015 (Sept) Mabel Green Graduate Scholarship in Nursing - \$1000 Present Position: PDF
Co-Supervisor	Shriner (Robinson), Alix (Completed) , University of Calgary Student Degree Start Date: 2014/9 Student Degree Received Date: 2018/6 Present Position: PhD Student
Co-Supervisor	Norwell, Lorelli (Completed), University of Calgary Student Degree Start Date: 2013/9 Student Degree Received Date: 2017/6 Project Description: Mentorship inNursing Academia: A Mixed Methods Study
Principal Supervisor	Ginn, Carla (Completed), University of Calgary Student Degree Start Date: 2013/9 Student Degree Received Date: 2017/10 Project Description: Stepping stones to resiliency: A longitudinal mixed methods study following a two-generation preschool program Present Position: PhD Student
Co-Supervisor	Waheed, Waqar (Withdrawn), University of Calgary Student Degree Start Date: 2012/9 Project Description: Child/adolescent psychiatry (ADHD) – conduct disorder; withdrew according to Scott Patten.
Principal Supervisor	Keys, Elizabeth (Completed), University of Calgary Student Degree Start Date: 2012/9 Student Degree Received Date: 2019/4 Project Description: AIHS Clinical Fellowship (\$70,000 per year plus\$5,000 research allowance 4 years) AND Canadian Child Health Clinician ScientistAward (\$50,000 per year x 4 years) Play2Sleep Present Position: PhD Student
Co-Supervisor	Ninowski, Jerilyn (Completed), Univeristy of Calgary Student Degree Start Date: 2008/9 Student Degree Received Date: 2010/2 Project Description: Early Temperament and Emotion Regulation in Infants at Familial Risk for ADHD: The Role of Maternal Parenting

Co-Supervisor	Johnston, Cyne (Completed), University of Calgary Student Degree Start Date: 2007/9 Student Degree Received Date: 2009/6 Project Description: Family decisions about cochlear implants for children with hearing loss
Principal Supervisor	Sharpe, Heather (Completed), University of Calgary Student Degree Start Date: 2007/1 Student Degree Received Date: 2013/1 Project Description: Implementation of a provincial written action plan for children with asthma Present Position: Research Associate

Post-doctorate [n=11]

Co-Supervisor	Wollny, Krista (Completed) Student Degree Start Date: 2020/9 Student Degree Received Date: 2022/4 Project Description: Unplannedextubations: adverse events in pediatric critical care
Co-Supervisor	Murphy, Madeleine (Completed), University of Calgary Student Degree Start Date: 2019/9 Student Degree Received Date: 2021/5 Project Description: Effectiveness of Alberta FICare on neonatal outcomes: A cluster randomized controlled trial (2021)
Co-Supervisor	Dolinar, Rose-Marie (Completed), University of Calgary Student Degree Start Date: 2018/11 Student Degree Received Date: 2019/4 Project Description: Working with Calgary Urban Project Society (CUPS Resiliency Matrix). Present Position: Post-doctoral Fellow
Principal Supervisor	Ringham, Catherine (In Progress), The University of Calgary Student Degree Start Date: 2018/2 Student Degree Expected Date: 2020/8 Project Description: Family IntegratedCare (FICare) in Level II NICUs Present Position: Post-doctoral Fellow
Co-Supervisor	Lewis, Rachel (Completed), The University of Calgary Student Degree Start Date: 2017/5 Student Degree Received Date: 2019/6 Project Description: Nephrology Present Position: Post-doctoral Fellow
Co-Supervisor	Robinson, Alix (Completed), Univeristy of Calgary Student Degree Start Date: 2016/9 Student Degree Received Date: 2018/12 Project Description: Barriers and strategies of newcomers to Canada in Forming Primary Supports During Pregnancy
Principal Supervisor	Mughal, Kashif (Completed), University of Calgary Student Degree Start Date: 2015/3 Student Degree Received Date: 2016/10 Project Description: CUPS Prenatal to Three Program EvaluationProject Yr1: \$50,000 Eyes High –PDF Universityof Calgary Present Position: Knowledge Translation/Evaluation Associate, Alberta Health Services

Principal Supervisor	MacDonald, Shannon (Completed), University of Calgary Student Degree Start Date: 2014/9 Student Degree Received Date: 2016/8 Project Description: Vaccine hesitancy Present Position: AIHS, Assistant Prof, University of Alberta
Principal Supervisor	Arain, Mubashir (Completed), University of Calgary Student Degree Start Date: 2014/1 Student Degree Received Date: 2014/12 Project Description: CUPS Prenatal to Three Program Evaluation Project Yr1: \$50,000 Eyes High -Universityof Calgary Present Position: Senior Consultant, Research and Evaluation, Alberta Health Services
Co-Supervisor	Bayrampour, Hamideh (Completed), University of Calgary Student Degree Start Date: 2013/2 Student Degree Received Date: 2015/1 Project Description: Anxiety in pregnancy;concept and measurement Present Position: Asst Prof, School of Midwifery, UBC
Principal Supervisor	Ballantyne, Marilyn (Completed), McMaster University Student Degree Start Date: 2011/1 Student Degree Received Date: 2013/3 Project Description: Neonatal Follow-up Present Position: Assistant Professor, McMaster University
Diploma [n=2]	
Principal Supervisor	Best, Indiana (Completed) , university of calgary Student Degree Start Date: 2012/8

	Student Degree Start Date: 2012/8 Project Description: Heritage Youth Researcher Summer (HYRS) Program Fathers and Late Preterm Babies Study Present Position: Second Year Undergraduate Student
Principal Supervisor	Ritz, Lyndsey (Completed), University of Calgary Student Degree Start Date: 2010/7 Student Degree Received Date: 2010/8 Project Description: Heritage Youth Researcher Summer (HYRS) Program Through the eyes of a new dad: Perceptions of parenting a late preterm infant Present Position: Third Year Undergraduate Student, Business

Research Associate [n=2]

Principal Supervisor	Ly Dang, Jacinthe (Completed), University of Calgary Student Degree Start Date: 2014/5 Student Degree Received Date: 2014/8 Project Description: CIHR Health Professional Student Family-Centred Care in Bedside Rounds Jacinthe Ly Dang won the best oral presentation in the clinical research category for her study This was for the ACHRI Summer Student Research Symposium. Present Position: Staff Nurse, Alberta Health Services
Principal Supervisor	Roback, Miriam (Completed), University of Calgary Student Degree Start Date: 2013/7 Student Degree Received Date: 2013/8 Project Description: HeritageYouth Researcher Summer (HYRS) Program 2013 Translating Maternal Care Behaviours: Comparison of Human and Rodent Models Present Position: First year undergraduate student

Mentoring Activities

2018/2	PDF Mentor, The University of Calgary Number of Mentorees: 1 PDF Mentor: Project Title - Family Integrated Care (FICare) in Level II NICUs
2013/4	Mentor, The University of Calgary Number of Mentorees: 1 Shannon MacDonald, AIHS post-doctoral fellow
2012/7	Career Mentor, University of Alberta Number of Mentorees: 1 Dawn Kingston
2010/1	Mentor, Alberta Health Services Number of Mentorees: 1 Mentored senior AHS executive to publish and present results of an internally funded research project.
2006/1	Research Mentor, Alberta Health Services Number of Mentorees: 1 Leslie Barker - research mentor
2018/11 - 2019/3	PDF Mentor, The University of Calgary Number of Mentorees: 1 Mentor to PDF: Project Title - Resiliency Matrix for Vulnerable Populations
2015/3 - 2016/10	PDF Mentor, The University of Calgary Number of Mentorees: 1 Eyes High PDF, Project Title: CUPS Prenatal to Three Program Evaluation Project
2014/1 - 2014/12	PDF Mentor, The University of Calgary Number of Mentorees: 1 Eyes High PDF, Project Title: CUPS Prenatal to Three Program Evaluation Project (accepted a position at Alberta Health Services after 11 months of the PDF)
2008/1 - 2012/4	Research Mentor, Alberta Health Services Number of Mentorees: 1 Chantelle Barnard - mentored research activity

Community and Volunteer Activities

- 2010/9 Blood Donor, Canadian Blood Services Achieved 60 donations in 2012
- 2006/1 Volunteer, St. Peter's Roman Catholic Church Choir

Knowledge and Technology Translation

2008/5 Collaborator, Research Uptake Strategies Group/Organization/Business Serviced: Calgary Urban Project Society (CUPS) - One World Child Development Centre Target Stakeholder: Private Not-for-Profit Organization Activity Description: Ongoing collaborations since May 2001 2008/1 Collaborator, Research Uptake Strategies Group/Organization/Business Serviced: UpSTART - Champions for Children and Youth Target Stakeholder: Charity Organizations Outcome / Deliverable: Measurement tool for common outcomes of parenting programs in Calgary. Activity Description: Ongoing collaborations since 2006.

International Collaboration Activities

 2011/6 Mentor, United Kingdom Mentoring and supervising summer exchange graduate students from the University of Nottingham, UK. Radha Sengal (2012), Jessica Taylor (2011).
 2011/1 Mentor, Brazil Mentored Fabiola Zucchi in publication of manuscripts.
