Services

2025 – present **Research Assistant, Examining Equitable Formative and Summative**

Assessment Practices, *Werklund School of Education, University of Calgary*

Supervisor: Dr. Kim Koh & Dr. Sharon Friesen

- Conduct systematic literature review on equitable formative and summative assessment practices in K–12 settings, with particular attention to implications for Indigenous students' learning outcomes.
- Perform qualitative coding and thematic analysis of interview data to examine teachers' implementation of outcome-based assessment and reporting.
- Contribute to synthesis of findings, research memos, and methodological documentation to support project publications and knowledge mobilization materials.

2025 – present **Research Assistant, Canada Research Chair Application Support**

Werklund School of Education, University of Calgary

Supervisor: Dr. Sharon Friesen

- Assisted Dr. Sharon Friesen in developing the faculty's proposal for a federal talent Chair (CAD \$1–1.5M), focusing on education finance, system leadership, and democratic resilience.
- Conducted international scans of comparable Chair positions and synthesized cross-national literature to support the proposal's conceptual framework and policy rationale.
- Contributed to drafting and refining sections of the proposal, including problem framing, research significance, and institutional alignment.

2025 (November) **Reviewer, University of Calgary Teaching Awards**

- Evaluated nomination packages using established criteria for teaching excellence, including instructional design, assessment practices, student engagement, and evidence of impact.
- Provided written feedback and scoring to support fair, transparent adjudication, contributing to the selection of award recipients across multiple teaching categories

2025 - present **Social Media Mediator, World Conference on Research Integrity (WCRI)**

- Selected by the conference organizing committee to serve as a social media mediator for the world's leading forum on research integrity
- Collaborated with the communications team to ensure accurate and timely representation of the conference's values and messages

2025 - present **Student Representative of Graduate Programs in Education Student Association (GPESA), University of Calgary**

- Serve as a liaison between students in the Leadership specialization and GPESA, actively listening to student concerns and communicating their

feedback to the association

- Attend regular Leadership program faculty meetings to gather instructors' input and relay their suggestions and perspectives to GPESA
- Organize academic events to enhance students' understanding of new technologies—especially artificial intelligence—and promote awareness of academic integrity
- Support international students by advocating for their needs and contributing to initiatives that foster equity, diversity, and inclusion (EDI) within the School

2025 – present **Student Advisory Council Member, Centre for AI Ethics, Literacy, and Integrity (CAIELI) - University of Calgary**

- Provide strategic input to ensure CAIELI's initiatives reflect student and faculty priorities
- Advocate for student perspectives in institutional approaches to AI ethics and integrity
- Promote cross-disciplinary collaboration on AI-related events and engagement projects
- Represent and amplify CAIELI's mission within and beyond the university community

2024 - present **Social Media Manager at the journal *Accountability in Research: Ethics, Integrity and Policy***

- Assist in disseminating scholarly content to broader audiences through strategic social media engagement
- Support knowledge mobilization efforts by translating academic findings into accessible formats
- Promote dialogue around research integrity and ethical scholarship across platforms
- Contribute to policy impact by highlighting actionable insights from published research

2024 (October) **Academic Integrity Week - University of Calgary**

- Engaged with students to raise awareness of academic integrity principles and their importance in higher education
- Conducted outreach activities to promote university policies on academic honesty, including ethical AI use in coursework
- Distributed educational materials and offered guidance to support students' understanding of responsible academic practices
